Principal/Dean News

Hello Families,

We are excited to spend some time with you at conferences on January 30th and February 4th. We enjoy the opportunity to share how your child has grown this year. We have been impressed with what students have accomplished with the new curriculum. The focus on grammar, phonics, and reading is making a significant difference for everyone. Students have also had an opportunity to connect with great fiction and non-fiction stories. I know you will enjoy hearing about your child's experience at conferences. I look forward to seeing you then.

THE HORIZONS WAY

HOJA INFORMATIVA DICIEMBRE 2024

Noticias del director/decano

Hola familias,

Estamos emocionados de pasar algún tiempo con usted en las conferencias del 30 de enero y 4 de febrero. Disfrutamos la oportunidad de compartir cómo ha crecido su hijo este año. Estamos impresionados con lo que los estudiantes han logrado con el nuevo plan de estudios. El enfoque en la gramática, la fonética y la lectura está marcando una diferencia significativa para todos. Los estudiantes también han tenido la oportunidad de conectarse con grandes historias de ficción y no ficción. Sé que disfrutará escuchando sobre la experiencia de su hijo en las conferencias. Espero verte entonces.

Sr. Ohlson, director
Sr. Puls, Decano

Project ADAM
SAVES LIVES

Heart Safe School Designation Letter to School Community

Dear Community,

Horizons Elementary School is pleased to inform you that we have joined a community effort to implement a sustainable and comprehensive CPR and AED program. This decision is the result of our wish to make our buildings safe for our students, visitors and employees.

Sudden Cardiac Arrest (SCA) occurs when the heart suddenly and unexpectedly stops beating, cutting off blood flow to the brain and other vital organs. SCA is fatal if not treated immediately. Having access to an AED as well as having a written plan and a team of CPR/AED-trained staff ready to act in an emergency can save the life of someone suffering a SCA during those critical first few minutes. Through our cooperative efforts with **Project ADAM** and **Children's Hospital of Wisconsin**, we have joined hundreds of schools throughout the state of Wisconsin and beyond in preparing our school for a life-threatening emergency. This program enables us to offer any person who may experience a Sudden Cardiac Arrest during regular school hours, the best chance for survival.

Horizons currently has an AED in the building. The AED is stored in a wall cabinet. When the cabinet door is opened, a loud alarm will sound. This alerts everyone that there is a potential emergency. Our school has a maintenance plan in place for the units. The AEDs are designed to work effectively unless they are tampered with. Additionally, the AED will not shock a person unless it detects a shockable rhythm (ventricular fibrillation).

Staff has been trained to assist with an emergency during regular school hours. After school hours and during the summer, this is a Public Access Defibrillation (PAD) program. If you suspect someone is experiencing a Sudden Cardiac Arrest, please feel free to use the equipment at our school. Good Samaritan laws protect the layperson in a life-saving attempt, although we recommend becoming trained in CPR/AED use as an investment in your health and the health of others. Our local Emergency Medical Services and AASD Medical Director are aware of our procedures for the program.

"Project ADAM is a national, non-profit organization committed to saving lives through advocacy, education, preparedness and collaboration to prevent sudden cardiac death. Our affiliate programs improve the cardiac chain of survival in schools and communities in memory of Adam Lemel, a 17-year-old Whitefish Bay, WI, high school student who collapsed and died while playing basketball at school."

Many thanks for your participation in this important Heart Safe initiative in our school. To see our school on the Project ADAM map, visit www.projectadamwi.com.

Sincerely,

AASD District Nursing Staff
