CJSF Application Window Now Open: Applications must be completed by students, not parents.

We want students to be involved in the process and be responsible learners at all times.

Self-management is an important ATL skill we want to encourage. Honor Society (6th Grade) and CJSF (7th and 8th Grade) are statewide organizations founded for the purpose of fostering high standards of scholarship, service, and citizenship in the middle grades. Honor Society and CJSF emphasizes service to the community while creating pride in scholastic achievement. Grades are given a point value. An A is 3 points, a B is 1 point, and a C is 0 points. A D or an F in any subject disqualifies a student from membership. You must have 10 Points to qualify. Please check before applying that you meet the above requirements. The window to apply is two weeks long, no late exceptions, per the CJSF bylaws. The window to apply is Friday, January 10th - Friday, January 24th.
