

# LIGHTFOOT ELEMENTARY SCHOOL

Home Of The Timberwolves!

January 12, 2025

Dear Timberwolf Families,

Together we have a VISION to ensure our students have the content knowledge and skills they need for college and career opportunities.

Science Tutoring for Fifth Grade starts Monday, January 13, 2025, at 8:00 AM. Permission forms did not go out due to inclement weather; however, we would love to have your Fifth Grader here for the next two weeks (M, T, TH, F). Kylie, a fifth grader states:

"I really like Science tutoring this year. You learn something new every single day! The teachers there are really nice and super funny! On the last day of Science Tutoring in the Fall, we learned about solutions and mixtures. We made pancakes, and we even got to eat some. I think everybody should go to Science tutoring. You learn a lot and have a lot of fun!"

Tutoring for Math and Reading will start up on Monday, January 27, 2025.

Be present, be proud, be PAWSitive!

Stay PAWSitive Timberwolves!

Sincerely,

Merilee R. Grubb, Principal
