IN OUR CURRICULUM

Spelling: Our next test, on Friday 1/17, will cover List 13 and Rule 14.

RULE 14: Phonograms ti, si, and ci are used to say sh at the beginning of a second or later syllable in a base word (na tion).

Math: Our chapter eight test will be on Monday. Chapter nine will cover line graphs and line plots. You will find a chapter summary here:

Writing: Students will continue note-taking and outlining for their Colorado history reports. The end product will be a three-paragraph informative report.

Reading: We've begun reading *Pollyanna* in our literature lessons. Our adventures in *The Hobbit* are nearing an end. Our next read-aloud will be *Little Britches* by Ralph Moody.

Grammar: In Fix-It Grammar Week 16 we will focus on the correct use of capitals and contractions.

History: This week's lessons will cover the Ming and Han dynasties of China.

Science: In our geology unit, we will learn more about cause/effect relationships by studying natural disasters.

Poetry: Recitations of "Paul Revere's Ride" will take place on Thursday, 1/30. Your student is responsible for memorizing just one stanza of this work, which was assigned and sent home this week.

"A superior man is modest in his speech but exceeds in his actions."
