School Performance Index SY 2023 – 2024: LAKE GARDA SCHOOL

Performance Index, Trend
Regional School District 10, Lake Garda Elementary School
Notes:
<ul style="list-style-type: none"> The Performance Index is the average performance of students in a subject area (i.e., ELA, Mathematics or Science) on the state summative assessments. The Performance Index ranges from 0-100 and is reported for all students and for students in each individual student group. Connecticut's ultimate target for a Performance Index is 75. Starting with 2018-19, Connecticut began implementation of new science assessments aligned to the Next Generation Science Standards. Therefore, 2018-19 science performance index scores cannot be compared to those from prior years; they can serve as a baseline for future years.
