I.S. Families,

Welcome to 2025! After adding an extra day to our break due to the snow, we had a great start to 2025. Our students and teachers worked to get back into “school mode” this week. Marking Period 2 ends on January 17th. Report cards will be sent home Jan. 24th. I will send a communication to let families know report cards are coming home on Jan. 24th as a reminder.

This week I shared informational flyers about AYSO sign ups and Girls on the Run. These flyers are posted on the IS website and the IS Facebook Page if you missed them in your email.

On January 23rd our 5th grade students will participate in SunTech’s Career Day. Students from SunTech will be showcasing programs they are enrolled in and talking about careers linked to the programs. 5th grade parents received a communication about this from me on Thursday. If you have any questions feel free to contact your child’s teacher or Mrs. Purdy.

Next week we begin our Acadience reading fluency mid-year benchmarking. Data collected from this benchmarking helps our staff focus on the reading needs of our students and helps place them in WIN intervention groups. We will have mid-year CDT benchmark assessments on Jan. 29th and 30th.

Yearbooks are still on sale. They need to be ordered online. Yearbook sales close on March 7, 2025. Students received a flyer with information about ordering yearbooks several weeks ago. A copy of this flyer is posted on the I.S. website.
