

Celebrating School Board Recognition Month - January 2025!

January is School Board Recognition Month, and we're thrilled to take a moment to honor some of the real-life superheroes in our community: our White Pigeon Community Schools Board of Education members!

Every day, our students count on schools to prepare them for a bright future. Behind the scenes, our school board members work tirelessly to make sure our schools have everything they need—from safe buildings and top-notch teachers to the resources that help our kids learn and grow.

Being a school board member isn't easy. It takes dedication, long hours, and a deep commitment to our students and community. These amazing individuals help shape the vision for our schools, ensure accountability, and advocate for continuous improvement.

This month—and every day—we want to say a huge **THANK YOU** to our WPCS Board of Education:

Nicole Sigler – President

Michael Swinehart – Vice President

Michele Strayer – Treasurer

Sheila Robinson – Secretary

Andy Morris – Trustee

Jennifer Stewart – Trustee

Stacy Jancasz – Trustee

Your hard work and dedication don't go unnoticed, and we're so grateful for everything you do for White Pigeon Community Schools.

With gratitude,

The WPCS Administration, Teachers, Staff, Students, and Community
