Dear 25-26 Kindergarten and Young 5's Parents,

Get ready to mark your calendars and join us for an evening of fun and information at North Creek Elementary School's Kindergarten and Young 5's Parent Information Night! We can't wait to meet our incoming Kindergarten and Young 5's students, along with their parents, on Tuesday, February 25th. We strongly encourage students to attend alongside their parents, as our dedicated teachers and staff have something special planned just for them. They'll have the chance to meet their teachers, explore classrooms, and, of course, have a blast!

We are anticipating a fantastic turnout from our community and have organized the event into two groups. We will be welcoming both parents and students to start the evening entering through the main entrance, where the fun begins!

- Group 1, last names A-M @ 4:30 - 5:00
- Group 2, last names N-Z @ 5:15 - 5:45

We will have parents check-in and then go with their student and drop them off to experience a classroom and get to know our teachers. Parents will make their way to the gym to hear from North Creek staff. Parents will receive essential information about the nuts and bolts of our school day, gain insight into what a typical day looks like for our Kindergarten and Young 5's students, and learn about the distinctions between kindergarten and Young 5's programs. Additionally, we'll touch upon enrollment details to ensure a smooth transition for your little one.

Speaking of enrollment, you can get a head start by visiting our enrollment page, accessible through the provided link.

[Chelsea School District Online Enrollment](#)

Enrollment assistance will also be available during the Kindergarten and Young 5's Parent Information Night. If your student is already enrolled as a Young 5s student, you do NOT need to re-enroll them as they are already enrolled/registered.

Following the informative portion of the evening, we encourage parents and children to explore our school building, enjoy the playground, or even hop aboard the bus, which will be conveniently parked onsite for a firsthand experience.

We are so excited and simply cannot wait to meet each and every one of you and our future students. If you have any questions or need assistance, please don't hesitate to reach out. Our North Creek community is here to support you every step of the way.

Casey Wescott
