Students will have an opportunity to choose the program(s) they would like to visit.

A visit to the Forrest Center is critical to the application process because it provides students and families with the information necessary to make informed decisions about future educational planning. Students are STRONGLY encouraged to visit ALL the programs they plan to apply for even though they will only have one choice. Students will be awarded one point in their application score for completing a visit.

The first 5 sessions with the Forrest Center instructors will be 15 minutes long and will include a short presentation followed by question-and-answers.

The Forrest Center Application will open on the Forrest Center website <https://schools.smcps.org/tech/> on Friday, January 24th. The application deadline is Friday, February 14, 2025, at 11:59 pm. Applications will NOT reopen after this deadline.

The inclement weather date will be Jan 30, 2025.
