

# Healing Despair & Anxiety in Kids and Teens

**Community group  
for anyone concerned about  
the mental health of  
young people  
begins Jan 27 at 7pm  
for 4 Mondays at  
Westlake United Methodist  
Church**

Join us to better understand brain development and explore strategies & activities that provide power & hope to kids and teens dealing with difficult emotions.

The small group is lead by Dr Tony DiBiasio, Ph.D. who has over 35 years of counseling experience with children, adolescents & families.
