

DISTRICT GOALS

UPDATE

2024-2025

BLIND BROOK-RYE UFSD

2024-2025 School District Goal Areas

- ☐ Curricular Work
- ☐ Meeting the Needs of All Learners
- ☐ Planning

Curricular Work

Objective: Continue to support the K-5 literacy program

- Examine phonics program
- Continue to explore the Science of Reading
- Begin alignment with Middle School curricula

Deliverables: Review of phonics program will be complete by January 1st. Meetings with Elementary and Middle School teachers will be scheduled by January 30th.

Update: Elementary and Middle School teachers met in November to begin alignment discussions. More time is needed for phonics. Review expected by June 30th.

Curricular Work

Objective: Review and revise the K-12 science program

- Assess current elementary program
- Review changes in middle and high school science assessments

Deliverables: Review of current elementary science programs will be complete by March 15th.

Update: Science review committee was formed and discussions have begun. Review currently on track.

Curricular Work

Objective: Evaluate grading practices and procedures

- Analyze current data on grading
- Examine current practices and policies

Deliverables: Data review will be complete by March 1st. Any resulting plans for change will be complete by June 15th.

Update: Discussions on grading have begun at Middle and High School. Discussions will continue throughout the year.

Meeting the Needs of All Learners

Objective: Focus on Differentiation of Instruction

- Review MTSS plans
- Help teachers challenge students that excel
- Provide focused training this year to elementary teachers
- Expand enrichment opportunities

Deliverable: MTSS review will be complete by December 15th. Professional development for BMPRSS teachers will be done by May 30th. Plans for expanding enrichment will be done by February 1st.

Update: An additional behavioral component is being added which will extend the MTSS review to Spring. BMPRSS teachers have met with a consultant several times with an additional in-person meeting this Spring. Enrichment expansion discussions still to be done.

Meeting the Needs of All Learners

Objective: Continue Support of DEI Work

- Analyze results from climate survey
- Follow up on recommendations from Dialog on Race
- Complete hiring handbook
- Run School SPIRIT Program

Deliverable: Survey review will be done by November 1st. Hiring handbook will be complete by January 31st. School SPIRIT program will be done by February 1st.

Results of the survey were shared publicly at October Board meeting.

Update: Survey results were presented at the November 5th Board meeting. Hiring handbook being finalized. Setting up School SPIRIT program for Spring.

Meeting the Needs of All Learners

Objective: Continue to establish social emotional competencies for all students and provide structured interventions for those in critical need

- Continue the implementation of RULER and Dialectical Behavioral Training across the district

Deliverables: Trainings in RULER and DBT will be complete by March 15th

Update: Training sessions are ongoing and are on schedule.

Objective: Revise the Long Term Financial Plan

- Develop an updated multi year financial plan
- Review five year facilities plan for integration into financial planning

Deliverable: a multiyear plan will be completed by May 1st.

Update: Plan still under development. Projected to be completed by May 31st.

Objective: Review Pupil Personnel Services Procedures and Practices

- Assess current structures and practices
- Make recommendations for improvements

Deliverable: The review will be completed by May 15th.

Update: Review of processes and procedures currently happening. Recommendations for changes will be made by the end of the school year.

District Initiatives

- Strategic Planning
- Problem Based Learning
- Curriculum Documentation
- Supporting Student and Staff Wellness
