

RAL/MM HOSA presents

Forensic Science Kids Day Camp

for Grades 4, 5, & 6

January 24, Friday (non-school day)

at RA Long High School STEM Lab

Morning Session (8-11am) OR Afternoon Session (12:30-3:30pm)

Both sessions will be the same

Enjoy 3 hours of Forensic Science fun at RA Long High School!

HOSA members along with coaches, certificated staff and C.H.A.M.P. volunteers will lead your student through a series of forensic activities designed to improve science and teamwork skills and understanding, in the safe, friendly environment of RAL. Students will work in teams of 3-6, under close supervision of teachers as they navigate the world of forensic science.

Students will learn about fingerprinting, DNA analysis, taking and observing hair samples, investigating a crime scene, learn how a lie detector test works, see skin cells under a microscope and analyze MRIs and CT scans. All of the investigating will go into a case file in which the students will determine what happened to our victim (Charlie the CPR doll).

****Signs will be posted the day of the event with balloons. STEM lab located next to the senior parking lot***

This is a fundraiser for HOSA, a club for future medical professionals.

About the Forensic Science Day Camp:

R.A. Long and Mark Morris HOSA club members, certificated coaching staff, and C.H.A.M.P volunteers will lead your student through a series of forensic activities designed to improve science and teamwork skills and understanding, in the safe, friendly environment of R.A. Long High School. This camp is run by high school students who are part of HOSA, a club for future medical professionals, along with RAL HOSA Club Advisors.

- **Lunch will not be provided. Sending snacks with your student is strongly encouraged.**
- **You are responsible for dropping off and picking up your student within 15 minutes of camp start or end times.** Pick up and drop off will take place at the side entrance of R.A. Long by the cafeteria / old woodshop. The parking lot will be marked with balloons.
- Please make sure the person picking up your student brings a valid I.D. and is designated as authorized to pick up your student. You are welcome to stay and observe the camp as long as you like.

Cost Information:

The Forensic Science Day Camp is a fundraiser for RAL/MM HOSA Club. The cost of attendance is **25 dollars per student.** If you would like to make a donation greater than 25 dollars, we would appreciate it. All proceeds for this camp go towards club costs like purchasing equipment and supplies and competition against other high schools in Washington State. *If camp spots are open the day of the camp, registration is acceptable with payment and filled out paperwork.

Payment Information:

Make checks payable to “**R.A. Long ASB HOSA Club**”. Fill out this registration form and pay at the ASB Office at RA Long High School during school hours. ***We will not accept payments through the mail. Email if you have questions.**

Would you like to volunteer at the day camp? ___Yes ___ No

Parents who would like to volunteer can fill out a C.H.A.M.P. form at the district office by 1 week before the camp date. If you are a current C.H.A.M.P. volunteer, please check box

Yes, I am a C.H.A.M.P. Volunteer No, I need to fill out a C.H.A.M.P. form at the Longview School District Office.

Read and Sign below: The Longview School Board recognizes that after school activities are an educational device that can be an important ingredient in the instructional program. Such activities can supplement classroom curriculum by providing enriching experiences in an alternative environment. These activities will be conducted at a school district site and will be supervised by school authorities. Every effort will be made to ensure pupil safety. In keeping with the policies of the Longview School District, no student is permitted to participate without the consent of the parent or guardian. Therefore, if a parent or guardian wished to grant permission for such an activity, written authority must be given for this purpose. This signed permission slip and registration form is your grant of authority for your student to participate in the event described above.
