Strawberry Hill Families:

I hope everyone had a restful and pleasant Holiday break. I had a great break, hanging out locally with family celebrating and having too many good treats. I'm excited for what 2025 has in store for us. In the coming weeks we are adding and finalizing many of our events on our school calendar. Please continue to check our communications and review the calendar for important events. This week we had our first rounds of the Strawberry Hill Spelling Bee narrowing down our participants to 17 finalists! I also have been going around school asking students a reflection question so we could hear more from our students and teachers!

Safety Drills

Strawberry Hill Families:

Please read this important message on our upcoming safety drill. As you may know, in compliance with the state, we conduct a safety drill once a month. The drill can be a fire drill, a shelter-in-place, lock-down, or an evacuation drill. Typically when we conduct more sensitive drills like a lockdown, or an evacuation drill, we notify everyone ahead of time.

Dress code - Shoes

A friendly reminder about dress code, in particular shoes. All student shoes must have a heel enclosure. That means a YES for Crocs and Uggs, but a no for "slides" and slippers. It becomes a safety issue, especially in our stairwells. Generally when students have PE or are in recess outside, it is best to wear traditional sneakers.

Dismissal

Strawberry Hill Families:

As we continue to work together to ensure a safe and smooth dismissal process for all our students, I want to take a moment to thank you for your cooperation and support. At Strawberry Hill, our priority is not only the safety of your children but also maintaining positive relationships with our surrounding community.

It has come to our attention that during dismissal, some vehicles are inadvertently blocking the driveways of residents along Strawberry Hill Avenue and Hackett Circle. While we understand that dismissal can be a busy time, we kindly ask for your help in respecting our neighbors by refraining from parking or idling in front of driveways.

To ensure a safe and efficient dismissal process, please review and adhere to the following reminders:

- 1. Follow the Designated Pick-Up Procedures: Use the school's designated drop-off and pick-up zones as directed by staff.**
- 2. Avoid Blocking Driveways: Be mindful of local residents by ensuring your vehicle is not obstructing access to their homes.**
- 3. Be Prompt and Patient: Arrive at your assigned time and follow staff directions to maintain a steady flow of traffic.**

We believe that with your cooperation, we can make dismissal smoother for everyone while being respectful to our neighbors. Thank you for your understanding and partnership.

GREAT THINGS ARE HAPPENING AT STRAWBERRY HILL

Dear Families,

We want to congratulate all of the spellers that competed in the PYP and MYP First Round Spelling Bees this week! Nearly all of our participants spelled words correctly above their grade level, with many extending years beyond! We started with almost 100 students and narrowed it down to the top eight PYP spellers after seven rounds and top nine MYP spellers after ten rounds!

We understand that it can be hard when a student spells a word incorrectly and cannot move forward in the competition. It's often said that the Spelling Bee is where preparation meets luck, and we hope this can be an important lesson in their educational journey! We would love to see our students continue to develop their curiosity about words and we would be thrilled to see students come back year after year to participate in our Strawberry Hill Spelling Bee! Dedication to learning the correct spelling of words increases vocabulary and will help not only in this type of competition, but throughout life. Participation helps students set goals, build confidence, gain public speaking experience, and practice poise under pressure – all skills that will help in future endeavors, both in school and beyond!

We congratulate the nearly 100 students who participated for taking a risk! There were some tears, and there was some disappointment, but the students supported each other which was so encouraging to see!

Let's all join together in celebrating the 17 students who will move on to the School Spelling Bee on January 28! As always, we are so proud of our Pioneers!

Stay sharp and spell on!

- A 9-week instructional course on community and personal development
- A 9-week civics course on politics, policy and media
- A written community project

Candidates will be selected from a pool of diverse applicants. The Institute is free; your contribution is your time and commitment.

The training will be offered with an all day retreat on Saturday, January 25th and classes continuing on Thursday evenings for 20 weeks until June. Normalmente, cuando realizamos simulacros más delicados, como un encierro o un simulacro de evacuación, notificamos a todos con anticipación.

Código de vestimenta: zapatos

Un recordatorio amistoso sobre el código de vestimenta, en particular sobre los zapatos.

Todos los zapatos de los estudiantes deben tener un talón cerrado. Eso significa un SÍ para las Crocs y las Uggs, pero un NO para las "chanclas" y las pantuflas. Se convierte en un problema de seguridad, especialmente en nuestras escaleras. Generalmente cuando los estudiantes tienen educación física o están en recreo afuera, es mejor usar zapatillas tradicionales.

Hora de la Salida

Familias de Strawberry Hill:

Mientras continuamos trabajando juntos para garantizar un proceso de salida seguro y sin problemas para todos nuestros estudiantes, quiero tomarme un momento para agradecerles por su cooperación y apoyo. En Strawberry Hill, nuestra prioridad no es solo la seguridad de sus hijos sino también mantener relaciones positivas con la comunidad que nos rodea.

Nos ha llamado la atención que durante la salida, algunos vehículos bloquean inadvertidamente las entradas de los residentes a lo largo de Strawberry Hill Avenue y Hacket Circle. Si bien entendemos que la salida puede ser un momento muy ocupado, le pedimos amablemente su ayuda para respetar a nuestros vecinos absteniéndose de estacionarse o permanecer inactivos frente a las entradas de vehículos.

Para garantizar un proceso de despido seguro y eficiente, revise y cumpla con los siguientes recordatorios:

- 1.-Siga los procedimientos de recogida designados: utilice las zonas designadas para dejar y recoger a los estudiantes según las indicaciones del personal.**
- 2.-Evite bloquear las entradas de vehículos: tenga en cuenta a los residentes locales y asegúrese de que su vehículo no obstruya el acceso a sus hogares.**
- 3.-Sea puntual y paciente: llegue a la hora asignada y siga las instrucciones del personal para mantener un flujo de tráfico constante.**

Creemos que con su cooperación podemos hacer que la salida sea más sencilla para todos y al mismo tiempo ser respetuosos con nuestros vecinos. Gracias por su comprensión y colaboración.
