

FINLY BUDACH MEMORIAL SCHOLARSHIP

Finly's Wings At Work

The family of Finly Budach wishes to award up to seven (7) \$1,000 scholarships to NRHEG graduates who plan to attend a post-secondary institution to further their education in the medical/health science field or a field directly related to helping children.

Finly's Wings at Work (FWAW) is a non-profit organization that was created in 2018 after Finly went to live with the Lord. Finly was only seven, but touched the lives of so many around her. She was a bright, happy, loving, spirited little girl who will never be forgotten. She had many passions which included gymnastics, dancing, music, crafts, telling jokes, swimming, getting dirty, and ranger rides just to name a few. Her precious spirit and love for life were so beautiful and undeniable, which is why FWAW was created. It is our hope to give back to the community's youth in honor of Finly to keep her spirit and memory alive.
