

ENGINEERING POSSIBILITIES IN COLLEGE

Engineering Possibilities In College is a one-week engineering summer camp for students in grades 6-11. EPIC introduces campers to the varied fields of engineering through hands-on labs taught by university professors and industry professionals. Every student attends labs tailored to their selected engineering focus. EPIC offers labs covering the following fields in engineering:

AEROSPACE AGRICULTURAL ARCHITECTURAL BIOMEDICAL BIORESOURCE CIVIL COMPUTER SCIENCE COMPUTER ELECTRICAL ENVIRONMENTAL GENERAL INDUSTRIAL MANUFACTURING MATERIALS MECHANICAL SOFTWARE

ABOUT EPIC

Your EPIC experience will include designing, building and testing your own engineering project! You'll experience life on a university campus and meet new fiends during activities that may include rock climbing, bowling, lawn games, and hikes to the Cal Poly "P". Students will hear from great speakers including industry leaders, professional engineers and Cal Poly Admissions.
