Spring Branch ISD Legislative Priorities 89th Legislative Session

During the 89th Legislative Session, **Spring Branch ISD (SBISD)** is committed to advocating and supporting legislative priorities that will allow SBISD to provide the **highest quality of educational and support services** that residents of our community expect.

We believe legislative actions that:

- **increase** funding for public education;
- **promote** safety, health and wellness;
- **provide** meaningful assessments;
- **enhance** opportunities for recruitment and retention of qualified teachers; and,
- **protect** local control,

allowing SBISD to continue to be an excellent choice for parents seeking the best educational experience for their children.

Adopted by the SBISD Board of Trustees on December 13, 2024.

Spring Branch ISD Board of Trustees Legislative Priorities for the 89th Legislative Session

FULL FUNDING FOR PUBLIC EDUCATION

- Increase basic allotment.
- Provide inflation adjustment for basic allotment.
- Funding based on enrollment instead of average daily attendance.
- Fully fund all requirements/eliminate unfunded mandates, specifically, security requirements tied to HB 3.
- Provide full credit for local optional homestead exemptions.
- Restore early recapture payment discount.
- Increase education allotments for economically disadvantaged, special education, English learners, gifted and talented, early education, and CTE students.
- Expand funding for full day Pre-K program.
- Continue support for instructional materials through IMAT funding.

SAFETY, SECURITY, MENTAL HEALTH & WELLNESS

- Prioritize and increase per student and per campus allotment for safety, security, and mental health supports.
- Support local governance and control of school finances to meet student and staff needs related to safety, security, and student discipline.

PARENTAL & LOCAL CONTROL

- Support legislation that modifies the Discipline Code (TEC Chapter 37) to allow local school districts to more effectively handle student discipline.
- Protect and expand the local control provided to Boards of Trustees to reflect the interests and needs of the local community.
- Protect district control of instructional materials and resources that provide the highest quality of education and best fit the needs and the recommendations of the local committees.

ASSESSMENTS & ACCOUNTABILITY

- Support meaningful assessments that reduces emphasis on high-stakes standardized testing and TEA-driven formative testing.
- Ensure State's rating system is meaningful by using adequate descriptive terms for campus and district performance.
- Advocate for TEA to provide any changes or adjustments in the accountability system prior to June 1.
- Ensure access to audio and writing responses from TELPAS allowing 10 working days for review and possible submission of rescore requests.
- Ensure access to constructed responses/essays from STAAR allowing 10 working days for review and possible submission of rescore requests.
- Advocate for the requirement for an independent third party contractor to conduct rescore requests.

TEACHER RETENTION & RECRUITMENT

- Prioritize funding and incentives for teacher recruitment and retention.
- Fund hiring incentives for critical shortage areas such as SPED, bilingual, math, and science.
- Remove/reduce restrictions on hiring TRS retirees to cover staff shortages.
- Increase State's health insurance contributions.
- Support and protect the TRS pension system as a defined benefit plan.
