

Pioneer Crossing New Tech Elementary
Title 1 Parent and Family Engagement Policy
Updated: April 2023

What is Title I and why are we a school-wide Title I campus?

Title I is a federal assistance program designed to meet the needs of all students at PCE. We are a school-wide Title I campus because the funds that are provided by the Federal Government go to help meet the needs of all our students.

Working Together

Both experience and research tell us that a child's education succeeds best when there is good communication and a strong partnership between home and school. Your involvement and engagement in this partnership may include:

- Encouraging your child to put a high priority on education and working with your child on a daily basis to make the most of the educational opportunities the school provides.
- Ensuring that your child completes all homework assignments and special projects and comes to school each day prepared, rested, and ready to learn.
- Becoming familiar with all of your child's school activities and with the academic programs. (AIM, UIL, Panther Pride, Panther Paws Store)
- Monitoring your child's academic progress and communicating with teachers. Report Cards, Progress Reports, Telephone Calls, Newsletters, Meetings and Email, Talking Points.
- Attending scheduled conferences and requesting additional conferences as needed. To schedule a telephone or in-person conference with a teacher, school counselor, or principal, please call the school office for an appointment. The teacher will usually call or meet with you during his or her conference period before or after school.
- Becoming a school volunteer.
- Participating in campus parent organizations. (PTA)
- Serving as a parent representative on the campus-level planning committees to improve student achievement and campus improvement.
- Being aware of the school's ongoing bullying and harassment prevention efforts. Positivity Project
- Contacting school official/Counselor if you are concerned with your child's emotional or mental well-being.
