

**PCE School Compact
2023-2024**

Research shows that when parents are involved in schools, students achieve more, attendance is better, grades and test scores are higher and graduation rates increase. Students are also more likely to reach his/her highest potential for intellectual, social, emotional and physical growth. Family involvement in education is critical for the success of students. To accomplish this, parents, teachers, and students need to work together. We ask that you agree to do this by signing and returning this agreement.
