How to Apply to Sonoma Quality Counts Pathways

1. Log in to your CA Workforce Registry Profile to apply. If you do not have a Workforce Registry Portal, visit https://www.caregistry.org. Use this resource to complete your Registry Information: How to Create a User Account.
2. Once logged in, click on "Stipends and Pathways." on the left side menu then click "Application"
3. Make sure to confirm your personal information is correct. This page of information is generated by the information provided from your Registry Account. The accuracy of this information will determine eligibility. Click "Confirm and Continue'
4. Scroll down to Select and Click "Sonoma Quality Counts Pathways".
5. As this is a year long program, select "**Spring 2025**" as the time period.
6. Select up to two goals for the year, and then Select Stipend “Professional Development” if you're an FFN provider or "College Credit" if you work in a center, FCC, or school district,. Then input as much information as possible that includes your school information.
7. You may be asked to enter the name of your Employer. Please enter your Supervisor's information.
8. Select Submit.
9. In addition to the online portion, you will be required to submit additional documents in order to complete your application. Staff will be evaluating your online submission to confirm which category you are eligible for, and then staff will email you a list of documents you will be required to submit. Please allow staff up to 72 hours to reach out via email to confirm the category you are eligible for and provide you with a list of documents required.

   When your online portion and additional documents have been received, your application will be complete. Sonoma Pathways Staff will examine your entire application and notify you if you have been selected to enroll as soon as possible. The Application Period will close once maximum capacity has been reached.
10. For assistance on how to upload documents to the Registry, please use the following resource: Upload Your Training Documents.
