THE OFFICIAL NEWSLETTER OF FULTON COUNTY MIDDLE SCHOOL

PILOT FAMILY

Fulton County Middle School would like to wish all of the families and staff a Happy New Year. We hope you and your family had a joyful and restful holiday season. As we begin a fresh new year, we are excited to continue our partnership with you to ensure an enriching and successful experience for Fulton County Middle School students,

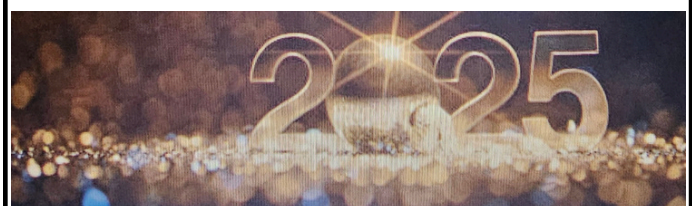

We are starting the new year building excellence in the classrooms and continuing to establish a rapport with our students. Our goal is to make sure we are providing our students with the best educational opportunities in the state of Kentucky. Our students are our number one priority.

BUILDING EXCELLENCE

STARTING A NEW YEAR

As we kick off the new year, we will be focusing on goal setting in the classroom. Students will be pushed to new levels this year. Teachers will guide students while they are reflecting on the progress and setting achievable goals.

We are still looking for parent volunteers who can help with reading and math skills. We are trying to push our students to the next level and we would love to have our Fulton County community come and help motivate our students. Let's keep working together to have a wonderful school year.
