Agenda

An update of TISD: *Presented by Dr. Elna Davis*

- Review of 2022 - 2023
- Review of 2023 - 2024
- 2024 – 2025 Current Year
 - Projected Growth in the area.
 - Current builds taking place: Barton Place, Tarkington Timbers, and Moss Ranch
 - Using Water Department projections it is estimated that TISD will have around 5,000 students in the upcoming years.
 - Review of the Accountability status of the district:
 - Going from 2019 Pre-Covid (A) through Covid years to present.
 - Things that have affected instruction and test scores have been new accountability systems, online testing, four day school week, including the lawsuit districts brought against the state for the testing and accountability system (still in litigation).
 - TISD focus for this year and with the bond: Accountability, Academics, Community, Facilities, Scaleable Processes.
