Tiger Tales

Dear TCK Families,

I wish you all a Happy New Year! May this new year be filled with healing, prosperity, and joy!

We are ending semester one and gearing up for the second half of the school year. Grades will be available to view after January 15 via Aeries. There is so much to celebrate as our students have worked extremely hard!

A few highlights during first semester:

- opened the ROAR store
- Library Student Council year 2
- ELD student reclassifications
- Special Ed students mainstreaming into general education classes
- new books in the library
- standing room only choir/music concerts
- tons of student and family events!

We cannot do this work without all of you! Thank you!

In partnership,
Dr. Hill-Valdivia
Principal
