Membership secretary's report November 2024 – Demises - draft

This table lists the members of the RHSA who deaths have been recorded since I made my last report in 2023. It also includes historical deaths unreported in previous years. This list will also appear in the next edition of 'The Gidge' . Many records are based on my historical record tracing. I constantly continue with this aspect of my role using family history sites such as MyHeritage and Ancestry. Please contact me if you know any members who have died recently – mlucas@royalhospitalschool.org.

I feel it is important to record and report the death of all members wherever possible and whatever the circumstances. They should all always be remembered.

RHSA Eulogy for absent friends

Let us remember those who have crossed the Great Divide; That we are grateful to them for sharing part of their lives with us. And may all our members, present and future, have their God's speed and fair winds through the seas of Life. May we remember that our start in life was at the Royal Hospital School.
