THE CONNECT

December was full of holiday events here at Gardens we gave away turkeys and grocery bags to 13 families, hosted 100 students at a Santa meet and greet, invited several families to join us and the 20-30 club at a holiday event in Sacramento, partnered with some local stylists/barbers and some other school sites to have a holiday haircut event at Mills and honestly so much more to ensure all of our students had the best holiday possible. Please reach out if you need any support next year there is so much available!

This week back has flown by and it has been such a treat to hear all the student's stories about how they spent their break. Many of them were super grateful for all the time they got to spend with their families. We are here for our students but also for our families and each other. So, as we move into a New Year please remember how valuable you are in this learning journey and in this school community. Feel free to ask if you have any questions about what resources we can connect you with.
