Skykomish Valley Indian Education is a grant-funded program serving Native American and Alaska Native students, preschool through high school, in the Monroe, Snohomish and Sultan school districts. The program is also supported by a nonprofit parent organization. For more information, contact Mars Miller. 360-804-2535, 425-359-8935 or millerm@monroe.wednet.edu

THANKS to our Native Youth Council and SVIE staff and parents for planning and staffing this event. Donations support graduation/merit awards, and cultural and educational events for our program's students, and our entire community.
