2024 AP[®] School Honor Roll

for developing an AP program that creates a college-going culture and gives students opportunities to earn college credit and to maximize their college outcomes.

AP School Honor Roll Metrics	Bronze	Silver	Gold	Platinum	
College Culture	40%	50%	65%	80%	43% (110/258)
College Credit	25%	30%	35%	50%	31% (79/258)
College Optimization	2%	5%	10%	15%	16% (40/258)

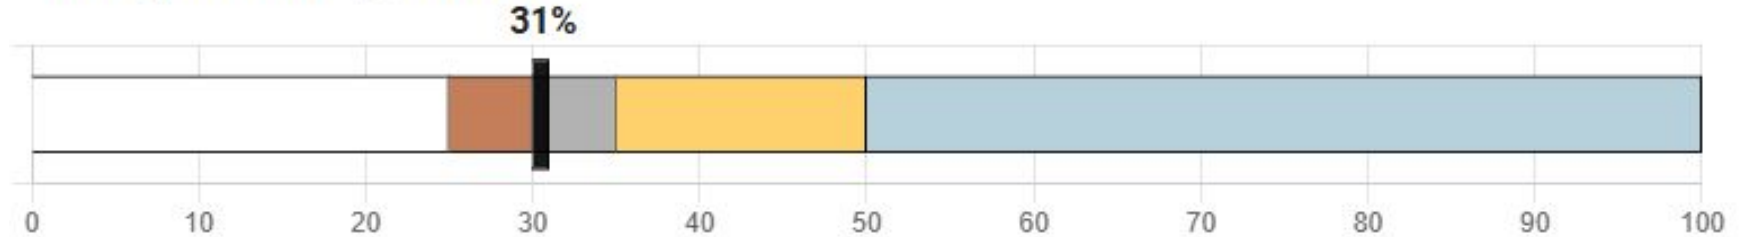

College Culture ? BRONZE

College Culture

Percent of students in the graduating class who took an AP exam at any point in high school, regardless of score. To avoid pressure on students to take large numbers of APs, **only 1 AP exam** per student **contributes to this indicator**. Additional information can be found on AP Central.

College Credit ? SILVER

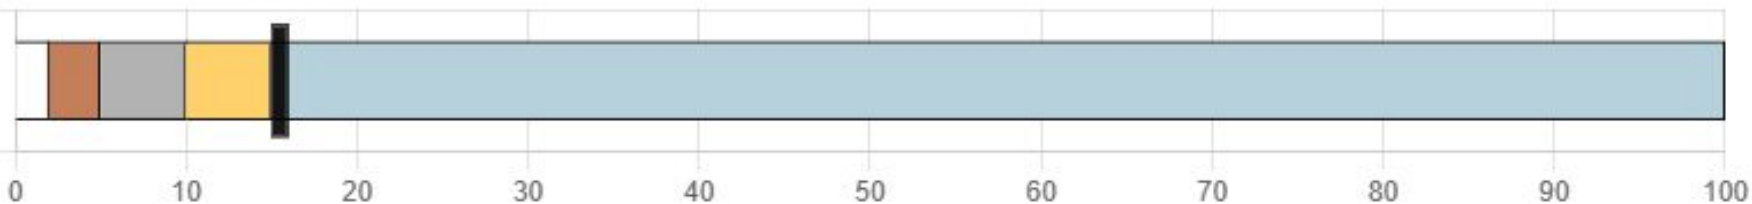

College Credit

Percent of students in the graduating class who scored 3+ on any AP Exam in high school. To avoid pressure on students to take large numbers of APs, **only 1 AP exam score of 3 or higher, per student**, contributes to this indicator. Additional information can be found on AP Central.

College Optimization ? PLATINUM

16%

College Optimization

Percent of students in the graduating class who took 5 or more AP Exams in high school, where at least 1 exam was taken in 9th or 10th grade. Because research finds that 6 or more APs do not improve college graduation rates beyond the optimal total of 5 such courses in high school, no exams beyond 5 per student contribute to this indicator. The Honor Roll also recognizes schools that encourage students earlier on their AP journeys so as not to overload them with AP courses their junior and senior years. Additional information can be found on AP Central.

AP SCHOLAR

Granted to students who receive scores of 3 or higher on three or more AP Exams.

AP SCHOLAR with Honor

Granted to students who receive an average score of at least 3.25 on all AP Exams taken, and scores of 3 or higher on four or more of these exams.

AP SCHOLAR with Distinction

Granted to students who receive an average score of at least 3.5 on all AP Exams taken, and scores of 3 or higher on five or more of these exams.
