Dear Parent/Guardian:

From Tuesday, January 21st through Friday, January 24th, Sayreville Middle School will be conducting individual parent-teacher conferences. The time schedule for each day can be found on the attached page. The session times for the afternoon conferences are flexible but will be a total of two hours each afternoon, ending no later than 5:00pm. Please note that to accommodate these conferences, we will be operating on an **early dismissal schedule (8:15 – 1:00) for the entire week.**

This year's conferences will be held virtually and scheduled through ParentSquare. Your child's teachers have shared their conference registration links with you through ParentSquare. Resources on how to navigate through ParentSquare can be found using the link below.

You are a vital partner in the education of your child, and these conferences play an important role in helping us plan and implement programs that meet the expectations you have for your child's education. Please feel free to reach out to me or your child's teachers with any questions or concerns.

Sincerely,

Scott Nurnberger
