JANUARY NEWSLETTER 2025

Message From the Principal

OHS Families,

The New Year is here, and it's wonderful to see students back on campus! As we step into 2024, we reflect on the hard work and accomplishments of our educational community. A heartfelt thank you to our incredible staff for their unwavering dedication to student success and to our families for their continued support and partnership—it truly takes a team to help our students thrive.

Winter sports are in full swing, with basketball, soccer, and wrestling showcasing the talent and determination of our student-athletes. Be sure to come out and cheer on our teams as they compete this season!

Looking ahead, the Winter Formal is just around the corner, and attendance guidelines can be found below.

Let's make 2025 a year of growth, achievement, and community!

Sincerely,
Kristen Wiedenman
Principal, OHS

At OHS students are encouraged to be safe, respectful and responsible and are celebrated with:

1. Weekly student recognitions

3. Monthly Raffles
4. Improved attendance recognitions

How does PBIS help school climate and culture?

Daybreak

OHS is proud of our continued partnership with Daybreak Health. Daybreak provided FREE counseling services to our students through Zoom. Use the QR code below to self refer or reach out to Lena Correa at lc Correa@ouhsd.net for more information.

We are excited that the [direct referral form](#) is ready for use! This form allows students and parents to submit a referral to Daybreak directly. This can be an especially helpful access point for students

that feel more comfortable raising their hand for support in this way, as well as for parents who are seeing needs from their child at home that aren't necessarily showing at school.

[Direct Referral Form](#)

[Teletherapy](#)

Daybreak Health also has several pre-recorded classes for parents. These hour long recordings are informative and easy to understand. Topics include:

Daybreak's January webinar, *Exercise and Teen Emotional Wellbeing*, will take place **Wed, Jan 15 (English) and Thu, Jan 16 (Spanish)**. It is important to provide young people opportunities and encouragement to participate in physical activities that are appropriate for their age, that are enjoyable, and that offer variety. This virtual class will help parents learn the relationships between mental health and exercise, body image concerns, and how to talk about and encourage a healthy relationship with exercise from a licensed clinician. Please use these promotional resources to share out with your community via newsletter, email, or your parent communications platform.

p.s - CC info, just in case we have not connected:

College Connection is an awesome program which allows students to get a jumpstart on and/or explore college. OUHSD students accepted into the CC program complete their senior year at Butte College, earning 18-30 college credits while fulfilling their graduation requirements. In order to apply for the program students need to be juniors who are on track to graduate with a 2.0 GPA.

Students accepted into the program are still OHS or LPHS students who graduate with their class and remain eligible for all HS activities: dances, homecoming events, band, sports, clubs, academic decathlon, mock trial, FCCLA etc...
