## **Welcome!**

On behalf of the entire staff at Jackson Elementary School, we would like to welcome you to the 2024-2025 school year! We are a great school with great students, a dedicated staff, and a supportive community. We are excited to work with you throughout your K-2 learning experience and to help our students move forward to a strong future. The policies and procedures contained within this Handbook have been carefully developed to provide the students with a safe, productive, and supportive educational environment. Jackson Elementary School is ultimately our school. We are proud of what we do and we will be proud of what we will accomplish together this year. Our teamwork is vital to the success of our students, so I encourage you to become involved. Volunteer in the classroom and attend school events to show your support. Let's make 2024-2025 a great school year!

## **Student Handbook Disclaimer**

In case of conflict between a Board Policy and the provisions of this Handbook, the Board Policy most recently adopted will prevail. Students and parents/guardians should be aware that this document is reviewed annually since policy adoption and revision is an ongoing process. These changes will generally supersede the provisions found in the Handbook, which will become obsolete by the newly adopted policy. The Handbook is not a contract between the parents/guardians or students. It may be amended at any time at the discretion of the School District.

## **Annual Sign Off Forms**

The Student Handbook will answer many of the questions you may have regarding the guidelines, procedures and activities at our school. We hope this information will be helpful to you throughout the year.

After reviewing the Handbook, please complete the Annual Student Handbook Acknowledgement Form that is located in the PowerSchool for Parents portal. This acknowledgement must be completed within the first two weeks of the school year.

Additionally, the annual sign offs for photographs, media release, and Responsible Use of the Internet must also be completed in the "Forms" section of the PowerSchool parent portal within the first two weeks of the school year.

## **SCHEDULE**

### **REGULAR DAY SCHEDULE**

Homeroom 8:45 AM to 9:00 AM  
Instructional Time 9:00 AM to 3:30 PM

### **2 HR LATE START SCHEDULE**

11:00 AM – 3:30 PM

## **Communication with Families**

### **Contacting the School**

Your student's teacher(s) will act as your primary point of contact for parents during the school year for most academic issues, including assignments, tests, homework, and projects. Questions related to attendance should be directed to the administrative assistant in charge of attendance, Mrs. Amy Smith. Questions related to a student's medical needs, including medication, or our medical procedures should be directed to our school nurse, Ms. Melissa Rambler. Parents or guardians needing additional communication should contact the school's principal, Mrs. Megan Ressler.

### **Change of Address/Communication**

Students who move to a different address at any time during the school year must report that change to the office immediately. Parents/guardians will be required to complete a change of address form, which may be picked up in the counseling office. Proof of residency will be required. In addition, any changes in telephone numbers or e-mail addresses should be completed through the "Forms" section in the PowerSchool parent portal.

## **Emergency Communications**

In the event of a building-level emergency, communication will be made through Blackboard Mass Notification to parents/guardians by email and/or phone call. It is essential that parents/guardians keep their emergency contact information updated in PowerSchool.

## **Parent/Guardian Access to Student Records**

### *Board Policy 216: Student Records*

Parents have access to their child's online gradebook through Powerschool for grades (Grades 3-12) and Schoology for classroom assignments. Parents are encouraged to visit the ELCO website parent page for instructions on how to create and access accounts to take an active role in supporting their child's academics.

## **Student Records: Access Divorce and Custody Agreements**

Federal regulations give both natural parents the right to access their child's education records unless there is a court order, state statute or legally binding document specifically prohibiting access. Where guardianship is an issue, or where the parents are separated or divorced, the school district should be informed and given a copy of any court order denying either parent access to the records. Moreover, in cases where the request for access to records is made by a non-custodial parent, the school district will verify the person's identity and notify the custodial parent of the request. In this way the school district can ascertain whether any valid reasons exist for denying the request. In any of the situations described above, it is the duty of the parent seeking to deny access to the records to provide the school district with a copy of the court order or other document that limits or controls access to student records. Because the burden is on the parent wishing to deny access, in the absence of an order or other document, the school district presumes that the requesting parent has the authority to inspect and review the child's records. Conversely, if there is a court order barring access of the non-custodial parent, then the school district must advise the parent that no information will be released until the order terminates and may neither confirm nor deny that the child is enrolled in the district.

Finally, state regulations also allow parents to designate a representative to inspect, review and copy their child's records. The school district requires any such designation to be in writing.

## **Parent/Guardian Newsletters**

Each month, parents and guardians are sent a copy of the school's parent newsletter. The newsletter traditionally comes out during the first week of the new month and will highlight events happening within the building, special staff announcements, and highlight any student recognition for that month. Parents will receive a copy of the newsletter through our Blackboard Mass Notification email program. Parents/guardians wishing to receive the newsletter must maintain an up-to-date email on file through our student information system, PowerSchool.

## **Parent-Teacher Conferences**

A conference may be initiated by either the parent or the teacher. When requesting a conference, please call the school office, or send an email directly to the teacher. In this manner, a mutually convenient time can be established for the conference. Please do not expect a discussion with a teacher unless prior arrangements have been made. "Parent-Teacher Conference Days" are also built into the school year schedule. This year's conferences are scheduled in November with a second potential conference for elementary students in the winter. More information will be forthcoming about scheduling conferences on these dates.

## **Parent Teacher Organization**

Parent/Teacher organizations in the ELCO Elementary Schools play a major role in improving communication between the home and school. In the elementary grades, parents work and assist with school fairs, plan and coordinate school assemblies and other special activities, chaperone field trips, serve as homeroom parents, work with their child's teacher on special projects, and provide suggestions for school improvement. Some of these activities that encourage parent participation during their child's education in the primary grades are organized and sponsored by our parent/teacher organizations. Therefore, these groups play a major role in providing a well-rounded school program for children in the elementary grades.

## **Visitors**

*School Board Policy 907: School Visitors*

All visitors must enter the building through the main entrance and report directly to the main office. Visitors will be required to show identification, sign in, and obtain a visitor's badge.

## **Volunteers and/or Chaperones**

*School Board Policy 916: Volunteers*

Thank you for your interest in becoming a volunteer in our schools. Volunteers are a valuable resource in the ELCO School District and we are grateful for all that they do to serve our schools and students. We welcome community and family members to volunteer in our buildings. We have several policies and guidelines that have been established for all of our volunteers. These guidelines have been created to provide information to the volunteers about how they can support our students and help to keep our students safe. Please read all of the information on the ELCO Volunteer website and the ELCO Volunteer Handbook to be sure you are familiar with the requirements. If at any time you need clarification, please reach out to the principal's office for more information. All volunteers will be bound by Policy 916: Volunteers.

## **Academic Information**

### **Curriculum, Assessment, and Instructional Resources**

*Board Policy 102: Academic Standards*

*Board Policy 105: Curriculum*

*Board Policy 105.1: Review of Instructional Materials by Parents/Guardians and Students*

*Policy 105.2: Exemption from Instruction*

*Board Policy 108: Adoption of Textbooks*

The District's curriculum is developed to provide students with the planned instruction needed to attain academic standards. Academic standards include the PA Academic Standards, the PA Core Standards, and local academic standards. The PA Academic and Core Standards can be found on the [Pennsylvania Department of Education Standards Aligned System](#) website. Curriculum is reviewed according to the established Curriculum Cycle and posted on the District's website. Curriculum is aligned with the appropriate standards and state, benchmark, and local assessment are used to determine each student's progress toward mastery of these standards.

Instructional resources are selected that align with standards. Parents/Guardians may request to review instructional resources or request to have their child excluded from instruction according to Board Policy

105.1: Review of Instructional Materials by Parents/Guardians and Students. Parent/Guardian requests for exemption from instruction must follow Policy 105.2: Exemption from Instruction.

### **Positive Behavior Interventions and Supports (PBIS) Elementary**

The ELCO Primary buildings began a school-wide implementation of Positive Behavior Interventions and Supports (PBIS) in 2016-2017. PBIS focuses on creating and sustaining school-wide, classroom, and individual support systems to improve the educational environment for all children. The PBIS implementation plan clearly identifies defined outcomes and behavior expectations and is validated by research-based practices. The goal is to explicitly teach and model behavioral expectations and then recognize and reward positive behaviors exhibited by the students on a daily basis. All staff members will establish regular positive learning and teaching environments and serve as positive role models to students as they teach expected school behaviors. By implementing PBIS, we hope to reduce school and classroom disruptions and educate all students about acceptable school behaviors. Ultimately, improving the school environment will help to promote academic and social success for every student.

### **Response to Instruction and Intervention (Elementary)**

The Response to Instruction and Intervention Model (RtII) has been implemented in order for us to monitor and meet all students' academic needs. This is a process used for identifying those students who are struggling learners and then providing differentiated instruction and intervention to address their needs. Part of the process involves screening all students to identify students who are at grade level (Core or Tier 1), slightly below grade level (Strategic or Tier 2), and those well below grade level (Intensive or Tier 3), as measured by screening assessments.

## **Student Code of Conduct**

### *School Board Policy 218: Student Discipline*

An effective educational program requires a safe and orderly school environment. All rules and regulations regarding the conduct of all students in the School District are in effect during the time they are under the supervision of the school or at any time while on school property, while present at school-sponsored activities, and while traveling to or from school and school-sponsored activities, whether or not via school district furnished transportation.

Teachers are responsible for conducting learning experiences that are morally sound and non-disruptive. Whenever a pupil or pupils become unruly or out of order, the teacher has the responsibility to correct them. If he or she is unable to control students, it is imperative that the administration be contacted so measures can be taken to remedy the situation. The District will not tolerate continued undisciplined behavior on the part of any individual or group of students. Every teacher is expected to assist in all school discipline in the classroom corridors, outside on school property and during lunch hours.

When a student or students disobey, external authority must be involved. Correction should be sought through improvement of causal factors before punishment is involved. Study of individual differences, conferences with pupils and parent(s), and assistance from the administration and specialists within the school should be the teacher's first thought in attempting to help a pupil correct behavior patterns that are impeding his or her own development and interfering with the rights of others.

## **Academic Honesty**

Honest behavior is an expectation of all students in the ELCO School District. Within the District, there is a shared responsibility to ensure that grading practices accurately represent each student's mastery of content and skills. Acts of academic dishonesty can have an adverse effect on these grades. When appropriate, consequences for academic fraud/plagiarism will be imposed in the classroom and/or school level in accordance with the developmental level of the student.

## **Assemblies**

Assemblies are a regularly scheduled part of the curriculum and as such are designed to be educational as well as entertaining experiences. Assemblies also provide an opportunity to learn formal audience behavior. Assemblies allow for building school pride and enthusiasm. Expectations for assemblies include:

- Proceed to the auditorium, gymnasium, forum, or stadium properly.
- Sit in your designated area.
- Be courteous and respectful.
- Do not leave the assembly until you are dismissed.

Students who do not maintain proper behavior will receive consequences and may lose assembly privileges.

## **Care of School Property**

Students are not permitted to mark school furniture, walls, ceiling, lockers, floor or equipment with pen, pencils, paint or any other instrument. Students are not to tamper with the fire alarms, fire extinguishers, AED systems, or any electrical system. Anyone who willfully destroys school property through vandalism, arson or larceny, or who creates a hazard to the safety of our students will be suspended, considered for expulsion, and/or charges filed.

## **Dress and Appearance Guidelines**

Board Policy 221: Dress and Appearance

The Board has the authority to impose limitations on students' dress in school. The Board will not interfere with the right of students and their parents/guardians to make decisions regarding their appearance, except when their choices disrupt the educational program of the schools or constitute a health or safety hazard.

Students may be required to wear certain types of clothing while participating in physical education classes, technical education, extracurricular activities, or other situations where special attire may be required to ensure the health or safety of the student.

We take pride in the appearance of our school. Students' attires reflect the quality of the school, of their conduct, and of their schoolwork. All students are requested to dress and groom themselves neatly in clothes that are suitable for school activities. Dress is expected to be decent and not overly revealing. Clothes considered inappropriate include:

1. No short shorts are allowed. Students may wear walking shorts, gym shorts, or hiking shorts.
2. No attire with holes or tears.
3. Attire that is offensive, vulgar, or disruptive to students or staff is not permitted.
4. Attire which may be destructive to school property or persons is not allowed. (ie...safety pins, chains, etc...)
5. Clothes, hats, etc., with questionable sayings on them or which advertise or convey acceptance of alcohol, drugs, or controlled substances are not permitted.

6. Unsafe footwear. Heelies, flip-flops, high heeled shoes, platform shoes or slippers are not allowed. If your child comes to school with unsafe footwear, you will be called and be requested to bring in a change of shoes. If this is not possible, we will ask your permission to provide your child with clean and more appropriate footwear for the day.
7. Shirts with spaghetti straps or halters are not permitted. See-through (mesh type) blouses and shirts are not allowed. Tank tops must have a strap width of 1 ½ inches.
8. Only prescription glasses may be worn in the building, no sunglasses.
9. Hats should not be worn inside the school building.

### **Educational Materials**

Students are responsible for all textbooks, calculators, classroom materials, iPads, and iPad chargers (block and cord) issued to them. Students who lose or damage any textbooks or materials issued to them will be required to pay for them.

### **Curriculum-Based Field Trips**

All school rules and regulations (including dress code) apply and will be enforced on field trips. Signed parent/guardian permission forms must be submitted to the staff member sponsoring the trip a minimum of one week prior to attending the trip. Students may be ineligible for participation if they have multiple disciplinary infractions. Students must use district-provided transportation for all field trips.

### **Racial and Ethnic Intimidation**

*Board Policy 103: Nondiscrimination in School and Classroom Practices*

*Board Policy 249: Bullying/Cyberbullying*

Part of an effective educational experience is learning to appreciate differences among individuals and to develop sensitivity for cultures that may be different from one's own. Students who fail to demonstrate a mature attitude toward cultural differences will be disciplined. Derogatory language, racial or ethnic slurs, and signs or symbols, which are offensive, will be viewed as intimidation. These serious offenses are a violation of the Code of Conduct and the school may recommend prosecution in addition to school-based discipline.

### **Student Rights and Responsibilities**

*School Board Policy 235: Student Rights and Responsibilities*

Attendant upon the rights established for each student are certain responsibilities, which include regular attendance; conscientious effort in classroom work and homework; conformance to Board policies and school rules and regulations; respect for the rights of teachers, students, administrators and all others who are involved in the educational process; and expression of ideas and opinions in a respectful manner.

It shall be the responsibility of the student to:

1. Be aware of all policies, rules and regulations for student behavior and conduct him/herself accordingly. Each student shall assume that, until a rule is waived, altered or repealed in writing, it is in effect.
2. Volunteer information in matters relating to the health, safety and welfare of the school community and the protection of school property.
3. Dress and groom to meet standards of safety and health, and not to cause substantial disruption to the educational processes.
4. Assist the school staff in operating a safe school.

5. Comply with federal, state and local laws.
6. Exercise proper care when using District facilities, school supplies and equipment.
7. Attend school daily and be on time to all classes and other school functions.
8. Make up work when absent from school.

### **Attendance Procedures**

#### *School Board Policy 204: Attendance*

Student attendance procedures are based on PA Act 138 of 2016, ELCO School Board Policy #204, and the Basic Education Circular "Compulsory school attendance, unlawful absences, and school attendance improvement conferences", issued February 2020. More detailed information can be found on the ELCO website [HERE](#).

1. Parents/guardians of students K-12 who are absent from school will receive notification of their child's absence with information on how to provide documentation of the absence via the mass notification system. Note: If parents/guardians have not provided accurate phone numbers and email addresses the messages will not be received.
2. If an acceptable parent/guardian excuse for the absence is not received within three (3) days of the student's return to school, the absence will be considered unexcused.
  - a. The parent/guardian excusal must be provided via the PowerSchool Parent portal OR in writing including a parent signature. Scans or pictures of the signed excuse card will be accepted via email (jaattendance@elcosd.org). **Parents are strongly encouraged to utilize the PowerSchool parent portal.**
  - b. A reason for the absence must be provided on all parent/guardian excuses, "illness" or "sickness" are not acceptable. Specific wording such as cough, sore throat, vomiting should be used.
3. A maximum of ten (10) days of cumulative absences (excused and unexcused), including those verified by parental notification, shall be permitted during a school year. All absences beyond ten (10) cumulative days shall require an excuse from a licensed medical professional.
  - a. It is strongly recommended that whenever a student is absent from school and sees a medical professional an excuse from that medical professional is obtained and provided to the school. Valid excuses from medical professionals will not count towards (10) absences allowed.
4. Students who accumulate three (3) unexcused absences are considered truant and will be provided a written "three-day notice" outlining the potential consequences of truancy.

5. If a student is subsequently absent without excuse for one day after the “three-day notice” is issued, a school attendance improvement conference (SAIC) will be scheduled and a School Attendance Improvement Plan (SAIP) will be developed. Parents/guardians will be invited to the conference and are encouraged to attend. A copy of the SAIP will be provided to parents/guardians.
6. Students who accumulate six (6) unexcused absences are considered habitually truant and may face the necessary consequences per Act 138 of 2016. Consequences may include consequences may include a referral to Children and Youth Services and/or a citation filed in the office of the District Magistrate.
7. The Principal/Assistant Principal/Dean of Students may exercise prudent judgment in giving extensions or exceptions to the above.

All student absences require written documentation, signed by a parent/guardian, explaining the reason for the absence. (E-mails cannot be accepted.) Excuse notes signed by a parent/guardian **MUST** be submitted to the School Office within three (3) days of the student’s return to school in order for the absence to be considered excused. A handwritten, parent-signed note that is scanned and emailed or faxed to the School Attendance Secretary (jaattendance@elcosd.org) is acceptable. Excuse notes signed by a qualified medical professional will still be accepted after the three (3) day limit and the absence will be coded as excused, but the student may not be allowed to make up work missed during the absence.

### **Absence Verifications**

**Parents DO NOT need to use a school excuse when turning in a student absentee slip.**

Excused absences: A student’s absence from school will only be excused for one of the following reasons:

- Illness.
- Death in the immediate family.
- Emergency medical or dental attention.
- Required court attendance.
- Approved educational trips (Please see [“Educational Travel”](#) for more details.)
- Absences approved in advance with building principal or designee [job interviews, driver’s tests (*limit 3 per year*), etc.]
- Authorized religious holidays.

The following are **NOT** excusable absences in accordance with state attendance laws:

- Truancy
- Missing the school bus
- Oversleeping
- Trips not approved in advance
- Shopping
- Car trouble
- Hunting/fishing
- Attendance as a spectator at athletic events and interscholastic contests
- Birthday or other celebrations
- Gainful employment

## Educational Travel

Educational trips that expose a student to various geographical, cultural or historical sites are permitted during the school year. However there are specific guidelines that must be followed for these days to be excused.

These are:

1. The number of school days of excused absences, for educational tours/trips, shall be a maximum of six (6) per school year. These days do count toward the student's ten (10) excused absences.
2. All absences for educational tours/trips in excess of six (6) days per pupil shall be considered illegal and/or unexcused, with applicable penalties (ie...fines).
3. The building administration must receive an educational trip form 2 weeks prior to the trip for approval. This educational trip form will be shared with the teacher to allow time to compile assignments to be completed during the trip. No trips will be approved during the PSSA or Keystone testing dates that would impact the student.
4. Upon returning to school, the student will, on his/her own time, be responsible for making up the work missed and will be held accountable for such knowledge and/or skills as they pertain to his/her continuing education

## Leaving School During the Day

Any student leaving school prior to 2:15 p.m. will be considered absent for a ½-day. Students who need to be excused from school before the end of the regular school day MUST provide a note signed by a parent/guardian to the School Office prior to the start of school on the day of the appointment. The note must indicate the date, the time the student is to be excused, and the reason for the early dismissal. If any individual other than a parent/guardian is picking up the student from school, that must also be indicated on the note. Students are not permitted to leave school property without written permission from a parent/guardian. Students must sign out in the School Office when they leave the building and sign in upon their return (if applicable). Additionally, the individual picking up the student early from school must come into the School Office and present a form of picture identification.

Students who are ill during the school day must be evaluated by the school nurse. If the nurse is not available, the student must report to the office. The nurse will determine if the student is to remain in school or go home ill. The nurse will be responsible for contacting the parent/guardian if necessary. **Students are not permitted to call a parent/guardian to pick them up for illness without approval from the school nurse.** If a student leaves school because of illness and the school nurse does not approve it, the student's absence will be coded as unexcused.

*If an emergency arises and a student needs to leave early without prior knowledge, a parent/guardian MUST come into the main office and sign out the student prior to the student leaving the building. **Written documentation must be on file for any time a student is not in attendance at school.***

Additionally, if students need to go to the parking lot or any outside area during the school day, they must obtain permission from the School Office and sign out and sign in accordingly. Students will only be allowed to go to the parking lot for educational reasons. Students who leave the building without permission may receive an in-school suspension

Appointments should be scheduled after careful consideration of their impact on the educational process.

- In the case of an appointment, the student must submit a valid note to be excused from school **prior** to the start of school on the day of the appointment. The student must also bring a **doctor's note** for the appointment **upon returning** to school in order for the absence to be counted as excused.
- If the student fails to submit an appointment card, the absence will be considered unexcused.

### Tardiness

Students are required to be in school by 9:00 A.M. A student is considered tardy if they arrive to school between 9:01 A.M. and 10:00 A.M without a valid excuse. Tardy is missing the bus, oversleeping, etc., NOT doctor appointments. If a student arrives to school at 10:00 A.M. or later, it will be considered a half-day absence. Every seventh tardy will result in a one day unexcused absence. Students who exceed the limit of unexcused absences (3) will be referred to the District Justice for fines.

- Students may not be permitted to make up schoolwork, including assessments, that are missed due to an unexcused absence or from an absence for which a note from a licensed medical professional is not submitted within three (3) days. Students may therefore receive a zero (0) for all schoolwork and assessments missed due to an unexcused absence. Consequently, students are at risk of losing credit for their classes if they accumulate an excessive number of unexcused absences.
- Students who accumulate twenty (20) or more unexcused absences during their senior year may not be permitted to participate in the commencement ceremony.
- Additionally, per Pennsylvania School Code, Section 11.24, any student above compulsory age who accumulates ten (10) consecutive unexcused absences will be withdrawn from school.

## **Discipline Procedures**

*School Board Policy 218: Student Discipline*

*School Board Policy 233: Suspension and Expulsion*

If a student receives any consequence for behavior from the building principal, the following steps will be taken:

- The building principal will contact parents/guardians via telephone before the end of the school day, if possible.
- If the parents/guardians are unavailable via telephone, a voice message will be left and a follow-up email regarding the message will be sent by the building principal.
- If the consequence is an ISS or OSS, a district letter will be sent in addition to the phone call/email.

### Levels of Offenses

Fire drills and other safety drills are conducted on a monthly basis in order to regularly practice the safety procedures and building evacuation process. A fire evacuation plan and severe weather plan is posted in each room. Students should study the plan and become familiar with it.

When the fire alarm sounds, students will immediately stand and leave the room following the prescribed exit plan. Running is not permitted. Students should move quickly and quietly as they exit the building and remain with their assigned class as the class moves to their designated area outside the school building.

All individuals should remain at least 50 feet away from the building until the signal is given to re-enter the building. No one is to return to the building until the signal is given by the principal or authorized representative.

There are a number of lost and found articles brought to the office during the course of a school year. If you have lost something either on the bus or at school, please arrange to check in the lost and found box in the cafeteria where the lost and found articles are stored.

### **Obligations**

Students are responsible for taking care of obligations they acquire throughout their time in the ELCO Schools. A database will be maintained listing students who have an obligation, which may include a fee for lost textbooks and classroom materials, unpaid library fines, unpaid class fees, parking fines, and other school debts. Students will have limited privileges and will not be able to obtain a parking permit or purchase Homecoming or Prom tickets if they owe an obligation. Action may be brought against those students with outstanding obligations.

### **Physical Education Excuse Procedures**

Students who are ill or disabled due to an injury/ disease must have a doctor's excuse from the attending physician. Students must have a doctor's release to participate upon returning to class. Those students with a doctor's excuse are also unable to participate in recess activities. Any student not having an excuse will be asked to perform to the best of their capability. Students bringing a note from home (written by a parent) to be excused will have their problem reviewed and a decision will be made at that time.

### **Playground/Recess**

Weather permitting, students are provided with fifteen minutes of recess time each day. Recesses are supervised by staff members. Anytime it is above twenty degrees (with wind-chill included), the playground is relatively clear, and there is no precipitation, we will have outdoor recess. Children must wear coats, hats, and gloves (or mittens) to go outside during the cold weather. Students must have an additional layer to put on over their existing in-door clothes. We will have indoor recess anytime the temperature falls below twenty degrees, actual temperature or with wind-chill. We appreciate the cooperation of parents in sending children dressed properly for the outdoors. Children are encouraged NOT to bring their own equipment to school; this includes footballs, baseball bats, frisbees, etc. If a child does, it is not the responsibility of the school to maintain it. We are not responsible for lost or misplaced items. It can easily be lost or placed into storage with school property. This also includes electronics and other toys. If any item becomes a problem then the student will be instructed not to bring it again. Students may be excluded from recess for incomplete homework, incomplete class assignments, or for disciplinary reasons. Students who are assigned recess detention are supervised by a staff member.

## **Student ID Badges**

All students will be issued an ID badge following the school picture day. Students should retain their ID badges from year to year. It is acceptable for students to use a cell phone or iPad to take a picture of the ID and scan the picture as if it was their badge. If an ID badge is lost or misplaced the student should report to the school office for a replacement. The first replacement of an ID badge will be at no cost to the student. Students will be charged \$3 for any additional replacements that are needed during the school year. ID badges will be required for all school transportation, including away athletic contests, and for admission to student activity events (i.e. Homecoming Dance, RaiderTHON, Prom, etc.).

## **Telephone**

In general, students are not permitted to use classroom or personal telephones. However, in cases of emergency, students may request use of the office telephone located in the main office.

# **Student Services and Programs**

## **Displaced Student Resources (McKinney-Vento Act)**

The ELCO School District believes that displaced youth should have access to free and appropriate public education and wishes to limit the barriers that displaced children may face. Our goal is to have the educational process continue as uninterrupted as possible while children are in displaced situations.

Displaced students are defined as individuals lacking a fixed, regular and nighttime residence, which include students living under the following conditions:

1. Sharing the housing of other persons due to loss of housing or economic hardship;
2. Living in motels, hotels, trailer parks or camping grounds due to lack of adequate alternative accommodations;
3. Living in emergency, transitional or domestic violence shelters;
4. Abandoned in hospitals;
5. Living in public or private places not designated for or ordinarily used as regular sleeping accommodations for human beings;
6. Living in cars, parks, public spaces, abandoned buildings, substandard housing, transportation stations or similar settings;
7. Living as migratory children in conditions described in previous examples;
8. Living as run-away children;
9. Being abandoned or forced out of homes by parents/guardians or caretakers;
10. Living as school age unwed mothers in houses for unwed mothers if they have no other living accommodations.

Should you have any questions, please contact the ELCO School District Homeless Liaison, Amy Shoemaker, [ashoemaker@elcosd.org](mailto:ashoemaker@elcosd.org) or 717-866-7117 ext. 10821. Additional information can also be found on the District website ([Displaced Youth](#))

## **Food Service**

The school cafeteria is maintained as a vital part of the health program of the school and ensures that students have the nutrition, they need throughout the day to learn. A well-balanced Breakfast and Lunch is offered every school day and consists of a variety of meat/meat alternates, whole grains, fruits and vegetables and milk. Menus are posted monthly on the district website.

## **Student Accounts and Cafeteria Debt**

All students are given a cafeteria account and a pin number to access that account. Parents/guardians may fund the account by sending in cash or a check made payable to "ELCO Food Service" with their student. Please include the student's full name and ID number on the envelope.

The district also offers an online payment option through School Café. SchoolCafe.com provides the option to make online payments with a set fee per transaction. By using SchoolCafe (<http://www.schoolcafe.com>), you also have the option to set restrictions or limits on ala carte purchases and to view your child's transactions and apply for free or reduced meals.

Significant changes were enacted under the Pennsylvania School Code Act 55, titled "Food Shaming," which was passed on December 6, 2017. While the amendment states that K-8th grade students may not be directly contacted regarding their negative accounts, students in grades 9-12 are exempt from this amendment and may be contacted about their meal account status.

If your child's account falls into a negative balance, a negative balance notification e-mail will be sent to the e-mail address on file, followed by a letter mailed to the home. You also have the option to view your child's accounts by going onto SchoolCafe.com and selecting to receive low balance notifications at no fee. The notification limit can be set at your discretion, but a minimum of \$10 is recommended.

All students will be able to purchase a meal even if their account is delinquent. There are procedures in place for collecting payment, which could include sending the account to collections.

If your child's account is in the negative, this could become an obligation. Obligations may prevent your child from purchasing a parking pass, attending Prom or Homecoming, and walking in the commencement ceremony.

Students are required to maintain a positive balance in their lunch account, demonstrate positive behavior throughout the entire lunch period and to:

1. Use their Student ID number to access their lunch accounts to purchase lunch.
2. Deposit all lunch litter in the appropriate trash receptacles.
3. Return all trays to the dishwashing area.
4. Leave the table and floor around their area in a clean condition for others.

Throwing food may result in an assigned lunch location, detention or possible suspension. Students are not permitted in the hallway during their assigned lunch period. Students will only be permitted to visit the main office, counseling office, and restrooms during their lunch period. Students leaving the lunch room will be required to sign-out from the cafeteria and sign-in (if applicable).

Students may not be in the cafeteria except during their assigned lunch period. Students are not allowed to purchase food from the cafeteria prior to going to class or their flex period.

Food will only be available for purchase during the scheduled lunch periods. Deliveries of food outside restaurants are not permitted in the cafeteria and will not be accepted.

## **Gifted Support Services**

The Gifted Education Program is a state-mandated program, as directed by PA Chapter 16, for students who qualify for gifted services through a comprehensive evaluation process. Students may be referred for a Gifted evaluation by parents/guardians, classroom teachers, or other school personnel, through the guidance office. School counselors complete screenings for referred students using a standardized assessment and a review of current classroom performance. Students who received a qualifying score are then recommended for a full evaluation completed by a school psychologist.

Referrals for Gifted evaluation can be made at any time during the school year, but only one referral per child per calendar year is permitted. More information can be found on the [Gifted Support Services](#) page of the District website. Any questions about the screening and identification process should be directed to Director of Pupil Services Amy Shoemaker, [ashoemaker@elcosd.org](mailto:ashoemaker@elcosd.org) or 717-866-7117 ext. 10821.

## **Library Services**

Each school building maintains a school library that empowers students to be critical thinkers, effective and ethical consumers and producers of information, lifelong learners, and productive citizens in a global community. The libraries foster literacy appreciation through knowledge growth and personal well-being. Each school's library catalog can be found linked to the school building's website.

## **School Counseling Services**

The mission of the ELCO School District's school counseling department is to provide a comprehensive, developmental counseling program for all students that promotes the highest level of student achievement incorporating academic, career, and social/emotional development. School counselors assist all students in acquiring the skills needed to successfully meet the challenges and responsibilities of the future.

To support this mission, ELCO school counselors provide a variety of services to students and families including classroom lessons, small group counseling, and individual counseling. More information about the ELCO School Counseling program, including links to the school can be found [HERE](#). If you have questions, concerns, or are interested in additional support for your child, please contact their school counselor.

## **School Health Services and State Requirements**

The ELCO School District [Health Services Department](#) strives to promote, protect, and improve the health and safety of our students through policies and best practices that safeguard our students, staff, and community. In order to provide the best possible care for students, it is important that parents/guardians communicate with the nurse regarding any changes to their health or medication status. Additional information about the Health Services department can be found on the District website ([Health Services](#)).

Throughout their school career, specifically upon school entry (typically Kindergarten), grade seven, and grade twelve. students are required to obtain updated immunizations as per PA Department of Health regulations. Parents/guardians can review specific requirements at each grade level on the [Immunization Requirements](#) page of the District website.

State regulation also requires routine physical and dental examinations to be completed for students in designated grades. Parents/Guardians can review requirements on the [Required Exams and Screenings](#) page of the District website.

## **Administration of Medication**

### School Board Policy 210: Medications

#### **Administration of Medications to School Students (Adopted From State Guidelines)**

The Board shall not be responsible for the diagnosis and treatment of student illness. The administration of prescribed medication to a student during school hours in accordance with the direction of a parent/guardian and licensed prescriber will be permitted only when failure to take such medicine would jeopardize the health of the student or the student would not be able to attend school if the medicine were not available during school hours.

#### **Definitions**

For purposes of this policy, medication shall include all medicines prescribed by a licensed prescriber and any over-the-counter medicines.

For purposes of this policy, licensed prescribers shall include licensed physicians (M.D. and D.O.), podiatrists, dentists, optometrists, certified registered nurse practitioners and physician's assistants.

#### **Only prescribed medication will be given at school.**

## **Social Services**

The District employs one home and school visitor who provides valuable resources and support for ELCO students and their families. Their primary role is to collaborate with families and school staff to identify support services to remove the physical, mental, and emotional barriers and obstacles that may prevent students from attending school regularly. More information and resources can be found on the District website [HERE](#).

## **Special Education Services**

Special education services are provided to identified students in accordance with PA Chapter 14. Supports and services are identified through a comprehensive educational evaluation completed by a certified school psychologist along with the development of an Individualized Education Program (IEP). The ELCO School District is committed to supporting students with special education needs through a variety of programs and services across the K-12 continuum. Through partnerships with the Lancaster-Lebanon Intermediate Unit #13, neighboring school districts, and private educational providers, along with a growing expanse of District-operated programming, a comprehensive and individualized program can be delivered and tailored to meet the unique needs of students.

Referrals for special education evaluation can be made at any time during the school year. More information can be found on the [Special Education Services](#) page of the District website. Any questions about the identification process or available support and services should be directed to Jeremy Sweigart, Director of Special Education, via email ([jsweigart@elcosd.org](mailto:jsweigart@elcosd.org)) or telephone (717-866-7117, extension 10821).

*School Board Policy 810.2: Transportation - Audio/Video Recording*

The ELCO School District provides student transportation through a contract with Brightbill Transportation. More information about Brightbill Transportation can be found on the [ELCO Transportation website](#). The phone number for Brightbill is 717-866-1420.

### **Audio and Video Cameras on Buses**

*School Board Policy 810.2: Transportation - Video/Audio Recording*

Video cameras with audio recording capability are installed on the buses to support efforts to maintain the safety and security of students. The cameras are intended to discourage acts of misbehavior and will be used to identify the cause of inappropriate bus conduct. Video identifying inappropriate bus behavior may be used as evidence for disciplinary action.

### **Transportation Guidelines**

The ELCO School District offers school bus transportation for the convenience of students within the guidelines established by the Pennsylvania School Code. Parents sometimes request variations in their child(ren)'s transportation schedule to accommodate babysitters, work schedules, or even sleep-overs. These variations include different pickup or discharge locations on certain days, or even riding different buses on

some days. As our district grows in size, student transportation schedules become very complicated and affect an increasing number of students. We have great concern for the safety and security for those students who vary their transportation schedules. We do not want to miss picking up a waiting student or dropping off a student at an incorrect stop on any given day.

Therefore, our liability carrier and the ELCO School Board, request that we have a consistent school transportation policy. Consequently, the following policy will be in effect:

1. Requests for ELCO School District bus transportation from locations other than near the student's home will be considered only if it is in the school attendance area to which the student is assigned. Kindergarten students will be assigned to a morning or an afternoon kindergarten session, depending on the location of their home or babysitter.
2. Students will be assigned to bus stops on a consistent basis only. ELCO School District is willing to provide transportation to a location other than the student's home. However, parents must designate a consistent A.M. and P.M. location. The A.M. stop must be the same location for each day of the week. Likewise, the P.M. stop must be the same location for each day of the week. The A.M. stop and the P.M. stop may be in different locations but must remain in the same school attendance area. Kindergarten students must also have one designated location for their noontime transportation.
3. Students will be permitted to ride only the school bus to which they are assigned. In addition, for safety reasons, students will be permitted to get on and off the bus only at the stop to which they are assigned. Exceptions to the assigned transportation may be granted by building principals for emergency reasons. Students wishing to ride other buses on occasions for emergency purposes must secure a bus pass from the school office, to be permitted to ride another bus or get on or off their bus at another bus stop. Parents need to provide prior written requests to their school office to secure permission. The school office will issue the student a bus pass to give to the bus driver. Students who fail to get a bus pass will go home via their normally scheduled means of transportation. Notes requesting transportation changes will not be accepted by the bus driver. Bus drivers will only accept a note instead of a bus pass, if a student is at a different bus stop in the morning, due to an emergency situation.
4. Any permanent changes in transportation arrangements require two (2) days notice before going into effect, after approval has been secured. This will allow sufficient time for the transportation office to notify all parties concerned so appropriate bus arrangements can be made. Students need to arrive at their bus stop ten (10) minutes before the designated pickup time. The ELCO School District is not responsible for student conduct to, from, or at the bus stop. For safety purposes, students are not to cross a road until the school bus comes to a complete stop. Students should then cross the road approximately 10 feet in front of the bus to remain visible to the driver at all times. School buses are the property of Brightbill Transportation, Inc. and students need to treat this property with respect and assist in helping keep the bus neat and clean. School bus stops are established and approved annually by the ELCO School Board.

## **Transportation/Bus Rules**

### *School Board Policy 810: Transportation*

#### *School Board Policy 810.2: Transportation - Audio/Video Recording*

In order to provide for the safe and orderly transportation of students to and from school and special events, the following rules and regulations are designed to support the health, safety and welfare of all students and employees. The following rules will be strictly enforced and the cooperation of students and parents is required to ensure that student conduct on the bus and at the bus stop is of such a nature so as to assist the District in this regard.

1. Students should arrive at their assigned school bus stop approximately 10 minutes early and should wait until the bus comes to a complete stop before attempting to board the bus.
2. Students will be responsible to carry their District-issued ID badge, as they will be required to scan the badge as they board and depart the bus each day. Students who do not scan onto the bus may be required to sit in the front of the bus.
3. While on the bus, students should keep all body parts inside the bus at all times.
4. Loud talking and laughing divert the driver's attention and make safe driving difficult. Horseplay is not permitted around or on the school bus.
5. Students may be issued a temporary bus pass to ride a bus other than the one to which the student is assigned ONLY when a parent/guardian provides a written request that the student be permitted to ride another bus. The parent/guardian note must include the date(s) that the student must ride an alternate bus, the alternate bus number, and the already-existing bus stop that the student will use in the morning and/or afternoon. All notes must also include the student's name, the name of the student they will be riding with, the reason for the change request and be signed by a parent/guardian. Students should bring these notes to the main office prior to the start of the school day so that a bus pass may be issued. Bus passes WILL NOT be granted for social purposes.
6. Students are not permitted to throw anything out of the bus window.
7. Students are not permitted to leave their seats while the bus is in motion.
8. Students must be absolutely quiet when approaching a railroad crossing.

State and federal special education regulations require each school district to provide annual notice to parents/guardians of children who reside within a school district regarding the school district's identification and screening, and evaluation activities including the location and time of the activities, by publishing an annual public notice to parents, in newspapers or by other accessible media. This notice shall inform parents throughout the school district of the child identification activities and the procedures followed to ensure confidentiality of information pertaining to students with disabilities or eligible young children.

The Eastern Lebanon County School District ("District") is required to provide a free appropriate public education (FAPE) to children with disabilities who are determined, through the evaluation process, to need special education and related services under Individuals with Disabilities Education Act (IDEA) and 22 Pa. School Code §14. A school age child with a disability, who is determined to be in need of special education and related services, is identified as a child with a disability eligible for special education in need of specially

designed instruction. The following are disability categories under IDEA: Autism, Deafness, Deaf/Blindness, Emotional Disturbance, Traumatic Brain Injury Hearing Impairment, Specific Learning Disability, Intellectual Disability, Multiple Disabilities, Other Health Impairment, Speech and Language Impairment, Orthopedic Impairment, Visual Impairment including Blindness

### **Early Intervention**

Children age three through the age of admission to first grade are eligible if they have developmental delays and, as a result, need Special Education and related services. Developmental delay is defined as a child who is less than the age of beginners and at least 3 years of age and is considered to have a developmental delay when one of the following exists: (i) The child's score, on a developmental assessment device, on an assessment instrument which yields a score in months, indicates that the child is delayed by 25% of the child's chronological age in one or more developmental areas. (ii) The child is delayed in one or more of the developmental areas, as documented by test performance of 1.5 standard deviations below the mean on standardized tests. Developmental areas include cognitive, communicative, physical, social/emotional and self-help. For additional information regarding Early Intervention Services you may contact the [Lancaster-Lebanon Intermediate IU #13](#) at 717-606-1601.

### **Screening**

Screening activities are conducted by the District on an on-going basis throughout the school year. Screening is conducted in the student's home school unless other arrangements are necessary. Parents can request screening in writing for their children by contacting the school that the child attends. When screening indicates that a student may be a child with a disability eligible for Special Education, the District will seek parental consent to conduct an evaluation. Screening activities cannot inhibit the right of a parent to request, at any time, including prior to or during instructional support activities, an evaluation for the purpose of determining if the student is a child with a disability and eligible for Special Education services.

### **Evaluation Process**

"Evaluation" is the procedure used to determine whether a child has a disability and if the child's disability is of the nature and extent that the child would be eligible for Special Education and related services. Evaluation procedures are determined on an individual basis by a Multi-disciplinary Evaluation (MDE) team, which includes the parents. Evaluation for the purpose of determining if a child is a child with a disability eligible for Special Education does not include the procedures or basic tests that are administered to all children.

Parents who believe their child is a child with a disability may request, at any time, that the District conduct an evaluation to determine if the child is eligible to receive Special Education and related services. This request must be made in writing to the Building Principal or Director of Pupil Services. If a parent makes an oral request for an evaluation, the District shall provide the parent with a form for that purpose within 10 days of the oral request.

## **Consent**

School entities cannot proceed with an evaluation, or with the initial provision of Special Education and related services, without the written consent of the parents. For additional information related to consent, please refer to the Procedural Safeguards Notice which can be found on the [PaTTAN](#) website, or on the [District](#) website. Once written parental consent is obtained, the District will proceed with the evaluation process.

## **Independent Education Evaluation (IEE)**

If a parent disagrees with the evaluation, the parent can request in writing an independent education evaluation (IEE) at public expense. If an IEE is provided at public expense, the criteria under which the IEE is privately administered must be the same as the criteria that the District utilizes for evaluations.

## **Program Development**

Once the evaluation process is completed, a team of qualified professionals and parents determine whether the child is eligible. If the child is eligible, the individualized education program (IEP) team meets, develops the program, and determines the educational placement. Once the IEP team develops the program and determines the educational placement, the District will issue a notice of recommended educational placement/prior written notice (NOREP/PWN). Your written consent is required before initial services can be provided. The parent has the right to revoke consent after initial placement.

## **Gifted Education**

Parents who suspect that their child is in need of specially designed instruction beyond that required in 22 Pa. School Code §4 (relating to academic standards and assessments) may request in writing that their child be evaluated under the criteria for Gifted Education Services in accordance with 22 Pa. School Code §16.22. If a student is both Gifted and eligible for Special Education, the procedures in IDEA and Chapter 14 shall take precedence. For addition information, please contact the Director of Pupil Services at 717-866-7117, x10821.

## **Protected Handicapped Students**

In compliance with state and federal law, including Section 504 of the Rehabilitation Act of 1973 (504) and 22 PA School Code Chapter 15, the District will provide to each protected handicapped student, without discrimination or cost to the student or family, those related aids, services or accommodations which are needed to provide equal opportunity to participate in and obtain the benefits of the school program and extracurricular activities. In order to qualify as a protected handicapped student, the child must be of school age with a physical or mental disability that substantially limits a major life activity or prohibits participation in or access to an aspect of the school program. These services and protections for “protected handicapped students” are distinct from those applicable to all eligible or exceptional students with disabilities enrolled in Special Education programs.

For additional information related to Section 504/Chapter 15 services, the parent may refer to Section 504, Chapter 15, and the Basic Education Circular entitled Implementation of Chapter 15. Parents may also contact the Building Principal to request further information on the rights of parents and children, provision of services, evaluation and screening (including purpose, time and location), and due process procedures.
