NOTES. The intent of the MIDDLE SCHOOL LATE BUS is to provide a basic bus route throughout the town for MIDDLE SCHOOL students. The service consists of a single bus; the regular bus service is provided by up to eleven buses. Because of the large territory covered by the bus, it provides a level of service, WHICH includes fewer neighborhood stops than regular bus service and does not include stops on every street in town. On state highways which have no sidewalks and high traffic volume (such as HADLEY ST and AMHERST RD) additional stops may be added if requested in advance by the parent/guardian. The driver may modify the route in the event that no students are present on the bus requiring transportation to the area.
