Good afternoon, John Burroughs High School! I am excited to inform you that our campus is safe for faculty, support staff and students to return to school following the recent local fires and the resulting poor air quality. Our top priority has always been the health and safety of our students, staff and community. We have been closely monitoring the air quality and working with local health and environmental authorities to ensure that our campus environment is safe. ***School resumes tomorrow, Monday, January 13, 2025.**
We understand that this has been a challenging time for everyone, and we appreciate your patience and cooperation. We are confident that the measures taken will provide a safe and healthy environment for our students to return to their regular activities.

A huge thank you to our school administrators, custodial team and facilities staff for their unwavering dedication and hard work during these challenging times, especially in the face of the recent local fires. Their commitment to maintaining a safe and clean environment for all of us has not gone unnoticed.

Despite the difficulties and risks, these groups have continued to perform their duties with exceptional professionalism and care. Their efforts have been instrumental in ensuring our safety and comfort, and for that, I am truly grateful. This hard work is deeply appreciated by everyone. We are incredibly fortunate to have such a dedicated team, and we cannot thank them enough for all that you do.

If you have any questions or concerns, please do not hesitate to contact school administration. Thank you for your continued support.

Please see the weekly updates below;

This week's bell schedule:

Monday January 13, we will be on a "Traditional" schedule.

Tuesday January 14, we will be on a "Traditional" schedule.

Wednesday January 15, we will be on a "Traditional" schedule.
