## Principal's Message

Happy New Year!

I hope you had a wonderful extended break! I am excited to have all of our students back with us for a fantastic second semester. January is a month filled with exciting learning opportunities.

All students will complete mid-year VALLS during the month of January. In addition, 1st and 2nd grade students will complete the Math MAP assessment. Teachers will share these results with you at parent teacher conferences in February.

Our new attendance incentive is underway and will run throughout the month of February! The classroom with the highest attendance rate will have the incredible opportunity to participate in a faux snowball fight with our amazing school staff! You can play a crucial role in helping your child's class win this exciting contest by prioritizing daily school attendance.

Winter weather is upon us! Unless the weather is severely cold, students go outside for recess daily. Make sure your child has a coat, hat, and gloves. If you need assistance with these items, contact Ms. Carter the school counselor.

As an entire school community, we continue to teach and practice being respectful, responsible, and safe at school. Many students have been Caught Doing Good by following these expectations.

As always, thank you for sharing your child/children with us.  
Mrs. Jakubik
