School District of Onalaska Seeking Community Input for Superintendent Search

Onalaska, Wis. - The School District of Onalaska is beginning the process of hiring its next full-time district superintendent and is looking for the community's input.

The district's Board of Education enlisted the services of the Wisconsin Association of School Boards to assist in facilitating the search process - which is now seeking feedback from the Onalaska community through an open survey. Information gathered will assist the board in the creation of a profile outlining the skills and characteristics sought in candidates for the position. It will also help develop questions for the interviews.

The community survey can be accessed beginning today (January 9, 2025) by visiting the district's website or using the direct link: onalaskaschools.com/district/superintendent-search/survey. The link to the survey will remain open until 12 p.m. on January 15, 2025.

The application window for the position opens on January 17, 2025 with interviews beginning on February 25, 2025. The start date for the next superintendent of the School District of Onalaska is July 1, 2025.

For more general information on the search, visit onalaskaschools.com/district/superintendent-search.
