

PLAN TO THRIVE!

Strategies for Success

- ✓ I will talk with my child about the importance of daily attendance and how it helps them achieve their dreams.
- ✓ I will use ParentVUE to monitor my child's attendances and keep track of missed days as well as tardies.
- ✓ I will set attendance goals with my child and make a plan to celebrate when we reach those goals.
- ✓ I will set an electronics curfew to reduce distractions at bedtime.
- ✓ I will establish a schedule to maximize my child's nightly sleep.
- ✓ I will use the support team document to identify partners who can take my child to school if I can't.
- ✓ I will arrange medical and dental appointments outside of school hours.
- ✓ I will use the "Too Sick for School" guidelines to determine whether to send my child to school. I will partner with my child's school and doctors if illness becomes frequent.
- ✓ I will contact the school attendance line if my child is going to be absent.

Additional commitments I will make:

1. _____

2. _____

3. _____

Family Signature: _____ Date: _____
Teacher Signature: _____ Date: _____
