

Entering 9th Grade Students – 2025-2026 School Year

Parents and Guardians,

Please read these guidelines completely as they contain very important information about your student's high school career.

Welcome to Alameda High School. We are excited to have your student on our campus. As you prepare for the transition into high school, it is very important that you understand the course selection process, the graduation requirements and the University of California and California State University system eligibility requirements known as A-G (see table below). Understanding this information will help you and your student make the right choices when picking your classes.

Selecting Your 9th Grader's Schedule:

All 9th grade students will take 6 classes. Five of those classes are requirements plus one elective. See the listing below. Your student will be asked to rank order 8 elective choices. Your student should make their choices based on interest taking into consideration high school graduation and college admissions requirements. See boxes below. Please note that your student may be placed in an unselected support class if your student has an IEP or is part of the ELD program. AHS has five (5) career pathways for interested students who can get involved starting in 9th grade. For more information, see the AHS website (go to Students and select Course Selection).

All 9th grade students take 6 classes.

1. English 1
2. Physical Education 9
3. Biology
4. Math Course
5. Navigating Life (semester) and Ethnic Studies (semester)
6. Elective

7th Class Option: A 7th class option is available to a limited number of students. Priority will be given to students who are interested in band or orchestra and a foreign language. To be eligible for either music class, students must have prior musical experience. Please see the back page of the Course Selection Sheet for eligible instruments for each class. **0 period will start at 7:30 a.m.** The 7th class option will be based on space availability and there is no guarantee of placement.

Alameda Unified School District Graduation Requirements: 220 Credits *

40 credits in English	60 credits in Electives
20 credits in Math	20 credits total in 2 out of the 3 categories: • 10 credits in World Language • 10 credits in Visual and Performing Art • 10 credits of Career Technical Education (CTE) may be substituted for one of the categories listed above
20 credits in Lab Science <i>10 Biological/10 Physical</i>	5 credits in Navigating Life/Adulting
	5 credits in Ethnic Studies
20 credits in Physical Education	20 Hours of Community Service
30 credits in History/Social Science <i>10 MW Hist/10 US Hist/10 Govt/Econ</i>	GPA of 1.75 or higher

* Students earn credits by earning grades of "D" or higher in their classes at the semester. For each class passed, five (5) credits will be issued per semester for a total of ten (10) credits per class per year. Unless otherwise noted in the course catalog descriptions, a student can only earn a maximum of ten (10) credits per course. If a student chooses to repeat a class for which they have already earned a passing grade and credits, the previously earned credits will be removed from the student's credit total and potentially create credit deficiencies toward graduation. Students should consult with their counselor prior to repeating a course.

A-G Eligibility Requirements (University of California and California State University)

Note: Only semester grades A, B, or C count toward A-G Eligibility Requirements

A. History: 2 years Required	E. Foreign Language: 2 yrs Required (3 Recommended)
B. English: 4 years Required	F. Visual/Performing Art: 1 yr Required
C. Math: 3 yrs Req (Alg 1/IM 1, Geom/IM 2, Alg 2/IM 3)* *4 Years Recommended	G. College Prep Elective: 1 yr Required
D. Lab Science: 2 yrs Req (1 Biological & 1 Physical)* *3 years Recommended	UC Minimum Academic 10 th and 11 th grade GPA for Admissions = 3.0 CSU Minimum Academic 10 th and 11 th grade GPA for Admissions = 2.5

Math Sequence for Incoming AHS 9th Graders

Students should select the correct math course in sequence. Students are not allowed to skip any levels.

8th Grade Class Completed

Enroll in

9th Grade Class

Math 8 (typical 8th grade math class with various names such as Foundations to Algebra, Pre-Algebra, etc.)

Integrated Math 1

(Required for 4 year college admission)

Integrated Math 1 (passed with a grade of C or higher)

Integrated Math 2

(Required for 4 year college admission)

Integrated Math 2 (passed with a grade of C or higher)

Integrated Math 3

(Required for 4 year college admission)

Alameda High School
Entering 9th Grade Course Selection Form
2025-2026 School Year

Middle School Attending:

First Name: _____ Last Name: _____ ID # _____

Instructions: All 9th grade students must take 6 classes. **On this form, students will choose their elective only.** Students cannot choose the order of classes. Courses offered are tentative pending student signups. Classes that do not fill may be cancelled. The AHS Course Catalog is available on our website at <https://ahs.alamedaunified.org/> in the Students- Counseling section under Course Selection.

Please complete this form, enter your elective selection in Aeries and return this worksheet to your middle school by the listed deadline.

Course selection steps:

1. **Enter** your course selection on this [Course Selection Form](#).
2. **Enter** your Primary Elective and Alternate Electives in [Aeries](#) (instructions available on the website) from **January 15-24, 2025**.
3. **Return** this course selection sheet to your teacher by **January 27, 2025**.

7th Class Option: I would like to take a 0 period: ☐ Yes * Priority will be given to students choosing Band or Orchestra and foreign language. 0 period starts at 7:30 a.m.
