Performance Objective 1: We will increase student performance through rigorous instruction designed to meet the needs of every child and ensure equitable access to learning with appropriate supports for success. The campus will have a writing focus across all subjects and grade levels.

Goal 4: Grow & Innovate Together

We will support our instructional staff, use data-based decision-making, and partner with stakeholders to build off success and continuously improve.

Performance Objective 1: We will implement a continuous improvement planning model that utilizes multiple modalities of qualitative and quantitative data to respond to the need of all learners and inform instructional practices, resulting in improved student achievement.
