ENTRANCE AGE EXEMPTION REQUEST

FORM A-Parent

In order to consider your Exception Request to the Kindergarten Entrance Age policy it is necessary that you provide information relative to the developmental milestones of your child and other pertinent areas. When describing your child's performance in the following areas you should draw from information included in your own records, doctor's reports, preschool history, and observations by yourself or others.

Student's Name: _____ Date of Birth: _____

Parent(s) Name(s): _____ Telephone No.: _____

Address: _____ E-Mail: _____

Overall Development:

Language Development:

Cognitive Skills:

Gross and Fine Motor Skills:

Please return this completed page back to the Building Principal. Thank You.

Things to consider when completing...

Speech and Language Development: Is speech is easily understood? Does the child attempt humor? Can they name colors and coins, some letters? Do they know their age? Can they tell a story from pictures? Does the child use simple sentences? Do they understand simple directions?

Cognitive Skills: Can the child identify basic colors and shapes? Do they know some letters? Can they play matching games? Do they enjoy creative play? Can they count to ten?

Fine and Gross Motor Development: Does the child try to skip and hop? Can the child run and catch a ball with two hands? Can they draw something that looks like a person? Can they hold a pencil or crayon?

Social Emotional Development: Can the child manage their emotions? Do they take turns? Do they share? Are they able to wait? Do they play well with other children? Do they listen to an adult authority figure? Do they separate easily from parents?

Independent Self-Help Skills: Are they able to take a bath alone – yet still need help drying? Are they able to dress themselves? Are they able to toilet independently? Can they use utensils?
