

## The Northern Dutchess Service Unit of:

... is looking for girls to add to our growing local service unit. We invite girls from Pine Plains, Red Hook, and Rhinebeck to join this incredible 113-year-old program. We are an inclusive organization growing girls into strong women.

Yes, we do sell nuts, magazines, and cookies! We also camp, hike, learn self-reliance, learn STEM topics, sail the Hudson, engineering, robotics, sports and many hobbies. We are very involved in charities like pantries, meals for those in need, support for soldiers abroad, SPCA, and more.

Currently, we have a multi-level troop with openings for 4<sup>th</sup> grade Juniors and 6<sup>th</sup> and 7<sup>th</sup> grade Cadettes meeting Tuesday evenings twice monthly from 6-7:30 pm. Our other troops are full at the moment. However, any parent can take on a troop of their own by registering, taking free training, and passing a background check.

To register please call our customer service number at 855 232 4744. To inquire about the open spots ask to be placed in troop 10600. For questions specific to our unit contact Melissa Levy at [ladyleo1055@gmail.com](mailto:ladyleo1055@gmail.com).
