BE EXCELLENT ON PURPOSE
& EMBRACE EACH DAY WITH

joy & gratitude!

Bring It On!

BRICKIE TIP #14: Living in Gratitude

Think back to the goals that you have set this school year. What were the challenges you faced? What are some of the successes you had? What are you grateful for or who are you grateful for during those times? How can you use all of these things to help you plan for the rest of the year?

.....

Now take your vision and turn it into actions! You got this!
