

Jayhawk Journal

Week of January 13 - 17

Principal's Corner

Here we are in the year 2025 and I like how our staff and students have kicked off the year! As many people set resolutions for the year, ours are simple here at Johnson...continue to make this a great place for your students to be! Just a reminder that we will always try to send students outside for recess, please make sure they are dressed warm to do so. We will use accuweather.com to determine if it is 15 Degrees to go outside. I am looking forward to the many memories that we will make in the New Year!

-Mr. Traub

Staff Member of the Week:

We would like to congratulate Mrs. Sherwood for being voted this award by her colleagues this week!

Mrs. Sherwood is a 5th grade teacher here at Johnson. She has a heart of gold and always puts her students first. In addition to her own class, she takes the time to build relationships with students throughout the building. She is a caring colleague and works well with all staff. She is a part of many clubs, committees, and planning teams that help make this school a great place to be!

PBIS Updates

This week we focused on arrival and dismissal (see attached SOAR Matrix) on the morning announcements. As we head back in from winter break, we always revisit our rules and procedures to start off the year right. We had our SOAR Assembly to look over the data for November and December. At the end of the month we will have our SOAR Clubs again on Friday, January 31st. Please take the time to discuss a plan on how your students are earning SOAR Bucks between now and then.

Points of Pride

Important Reminders

Week of January 13th

Recess Update: As snow begins to fall, just a reminder that boots will be necessary to play in the snow during recess. Students can bring shoes and leave boots in their lockers during the day. Students in shoes will still be allowed outside, but will be playing on the blacktop areas. Make sure that students are dressed appropriately and are warm for outdoor recess. We will continue to go outside as long as it is 15 degrees Fahrenheit or warmer.

ICHAT: Our parent volunteers are awesome and we could not do it without you! If you will be volunteering at Johnson or driving students for field trips, LPS requires you to have a completed iChat background check approved prior to the event. Completing the form is simple and quick. Go to www.livoniapublicschools.org click on the "Parents" tab, then click on "Forms" and click on the iChat box to access the form.

Student Emergency Cards: We ask that ALL Jayhawk families go onto parent connect and review their student information that is listed. Please confirm your emergency contact information! This information is added to the PINK STUDENT EMERGENCY CARD we print for students. Emergency cards will be printed on Tuesday, September 3 and we ask that all data be updated and confirmed by that time. Thank you for helping up keep your kids safe!

COMMUNICATION - The beginning of the day and the end of the day are always busy times in the school office. At Johnson, we realize there are always unexpected circumstances that arise and we will do everything in our power to accommodate unplanned interruptions. We also ask parents to call the office after 9:00am and prior to 3:00pm if they are making alternate transportation arrangements for their students' trip home. Teachers frequently use the end of the day time for classroom reorganization, recess and/or specials and catching up to a class can be a challenge. We appreciate your help. The office phone number is (734)744-2740.

OFFICE HOURS - Mr. Traub, Principal and Mrs. Samouelian, Assistant Principal, are available via email, telephone and in person. If you have any questions or concerns, please set an appointment to discuss your situation privately with one of our Administrators. The Johnson school office is open M-F from 7:45am to 4:15pm. Teachers are generally unavailable during the day as they are teaching. If you have a concern, please reach out to teachers via email or contact the office directly at (734) 744-2740. Students will not be permitted back into the building for forgotten items once the office is closed for the day!

SACC: Affordable School Aged Child Care, is still available at Johnson. Simply call (734) 744-2966 to make arrangements for your students before or after school caregiver needs. SACC opens at 7:00am and closes at 6:00pm daily.

Our Mission: Johnson Upper Elementary School is committed to providing a safe, respectful environment that supports the academic and socio-emotional needs of every student as they develop the necessary skills to become capable, confident, life-long learners.

Keep soaring Jayhawks!

Important Reminders

Week of January 13th

Transportation: In order to receive Bus Transportation, you must live in an area eligible for transportation and you MUST apply for transportation. If you believe your student is eligible for transportation, simply apply for bus service following the steps on the attached transportation information form at the end of this newsletter. If you want to see if you have transportation, simply login to Parent Connect and you will be able to see your student's transportation arrangements if they have been completed. If you have applied for transportation and still have not received transportation, we encourage you to reach out to transportation directly at (734)744-2156.

MEDICATIONS AT SCHOOL - Oftentimes a student will come to the office with a medical need. The office staff is able to dispense medication as needed as long as the medication is: 1) Delivered to school by a parent in the original unopened package or prescription container, {NO MEDICATION can be brought to school by students} 2) As long as there is an individual, signed medical authorization on file for each medication {form available in the office and online} Medication includes but is not limited to cough drops, aspirin, Tylenol, Advil, prescription drugs, creams, lotions, vitamins, inhalers, EpiPens, etc.... We cannot administer any medication that is not listed on file in the office. Please reach out to Jill Jablonski in the office to set up a time to bring in medications and to review your student's medical needs when they are in the building.

BLESSINGS IN A BACKPACK (BIAB) - FREE weekend meals and snack packs are available for those families that could use a little extra help. Johnson has teamed up with Blessings in a Backpack to offer weekend meal assistance to families that are struggling for whatever reason. A form is attached to the newsletter for your convenience. Simply complete the form and have your student return it to the office. Mid September, delivery will begin.

Emergency Drills: As we head back to school, student safety is always a priority. We will be having several different drills coming up to acclimate the students to emergency procedures. We encourage you to let students know we are working in their best interest and we ask that they follow instructions given by staff during these drills so we can ease their concerns and keep them safe. Thank you for working with your students and supporting our safety drills.
