Pequea Valley School District

Where Each Learner Counts

Curriculum & Instruction

Dates	PV First Ten Early Literacy
	Highlight of services: Stats/ Data from December 2024 o On December 5th Holiday Book Club was held and we had our Braves Cooking Club on December 12th. o Coordinated and hosted the annual Gingerbread Extravaganza Factory Family Event on December 13th, 171 people attended. o The Holly Jolly Holiday Party was held on December 18th with 31 children and 21 parents attending. The party was sponsored by a group of ladies from Bellevue Church. They provided pizza lunch, presents for each child, and supplies for the stations. 2 members of the group attended and helped with the party. o Early Learning and Elementary team provided new books for each child who participated in The Factory's Holiday Gift Program on December 18th. Over 250 new books were "shopped" for by parents during the event. Current Projects: o Make plans and prepare for the Open Gym and Book Club series to begin the week of January 6th. o Continue to promote and plan for the Kindergarten Kick Off Event in February. o Work with the Factory team, making plans for the move of Brave Kids Center to new space in the building at the end of January. o Work with CAP staff helping with the transition of Cherie out of her role (starting February 10th) as home visitor to the Early Learning Program and Family Outreach Coordinator role with PV/Factory. New Projects/Upcoming Initiatives: o Finalize plans for 2025/2026 Kindergarten Spring transition activities, including transition nights, screening, summer camp. o Plan play and learns for Spring utilizing grant funds. o Look ahead at the Summer program schedule and start making plans for additional early learning opportunities.

Dates	Elementary Curriculum Topics
	We administered our K-6 mid-year ELA and math diagnostic assessments, which will be reviewed this Friday by learning facilitators, followed up by grade level reflection and planning meetings later this month.

Dates	Middle & High School Curriculum Topics
	We administered our 7-10th grade mid-year ELA, math and science diagnostic assessments, which will be reviewed this Friday by learning facilitators, followed up by content area reflection and planning meetings later this month.

Dates	School Data & State Assessments & National Tests
	Continued to finalize the 2025-2028 PDE Comprehensive Plan. There will be one more stakeholder meeting at the end of this month and then the draft will be presented to the School Board prior to posting for the 30 day public review.

Dates	General
	Attended monthly Assistant Superintendent curriculum and instruction meeting. See link for agenda outlining focal areas:
	Submitted the annual TItle I, II, and IV performance goal report. This is an accountability report regarding our previous year, 23-24 goals aligned with each title program.
	The 25-26 calendar draft was revised per stakeholder feedback. The draft 8 will be presented at the February committee meeting and then to the Board meeting in March for approval.
	Held our semi-annual PDE required Title II and IV stakeholder meeting to review the current supplemental offerings in the categories of Safe and Healthy Learners, Well-Rounded Education Opportunities, and Technology.
