**Practical Nursing Program**  
**Process for 2025-26 Student Applications**

This timeline is **NOT** for any other CEC class. It is only for the Practical Nursing (PN) program.  
**DO NOT** confuse it with the NA (Nursing Assistant) course.

**The Practical Nursing application will open for all 10th grade students on Jan. 21, 2025\*.**

The application will be posted on the Practical Nursing [New Applicants web page](#).

*\*Current CEC students will be able to pre-register a week before registration is open for all students, during their CEC classes. The Practical Nursing application will not be available on our website during preregistration.*

Please see the [Practical Nursing section](#) of our website for more information about the program and to download needed forms.
