WHAT IS VISTAS EARLY COLLEGE HIGH SCHOOL (ECHS)?

Vistas Early College High School is a partnership between Klein ISD and Lone Star - University Park to offer at-risk students an opportunity to complete a high school diploma and earn up to 60 college hours towards an associates degree at no cost to the student or their family.

Vistas ECHS provides a “seamless” pathway from high school to college by allowing students to gradually integrate into college course work through a traditional high school degree plan plus dual enrollment. It is anticipated that the student body will be representative of the district’s demographic distribution with students from across Klein ISD.
