

D.C. Everest Middle School - 7th Grade Courses

Enrolling Directions for Students 25-26

Logging into the Portal

1. Students will need to log into Infinite Campus Portal (There is a link on the DCE Middle School web page under Quick Links).
2. Choose the Infinite Campus-Student Tab. Log into Infinite Campus. Once logged into Infinite Campus, Select the **Menu icon (3 bars)** in the green Infinite Campus bar. Select **More** – Select **Course Registration** – select **25-26 D.C. Everest Middle School** option from the navigation pane on the left of the screen.
3. The following courses are **Required Courses**. Students will automatically be registered in these courses:
 - **Math (MAT721) 8 credits all year**
 - **English, Language Arts (ELA700) 16 credits all year**
 - **Science (SCI730) 8 credits all year**
 - **World Studies (SOC710) 8 credits all year**
 - **Health (HEALTH783) 2 credits**
 - **Family Consumer Ed. (FACE782) 2 credits**
 - **Physical Education (PHYED6770) 4 credits all year**
 - **Win (WIN7) 8 credits all year**

Choose the Blue “Add Course” button at the bottom of your screen. The next screen shows you all the available courses you are eligible to take. **You will need to add 8 credits to your schedule, totaling 56 units.**

Students can select the following **Encore Elective Courses**. Course names are listed below. Click the blue “+” button next to the course you would like to add to your schedule. Then press “Request”. If you want to change a course, click on the red ‘X’ next to the course to delete it from your schedule. The > on the far-right side will provide you with a description of that course.

- **Music (See course selection form, for course numbers) 4 credits all year**
- **World Language (German WLA740, Spanish WLA745) 4 credits all year**
- **Art (2D ART780, 3D ART781) 2 credits**
- **Code Your Future (BUS786) 2 credits**
- **Tech Ed (TEC781) 2 credits 2**

64 Units = Fully Registered

To prevent other users from accessing the portal and changing requested courses, do not close the browser until you have chosen **“Done”**. This will end the session and bring the user to the portal login screen.
