Experience the best of France and Spain

The World Language department is inviting YOU to travel to France and Spain in Summer 2026!

We're excited to tell you more about the trip we're planning with EF Tours, our educational travel partner. Please make plans to join us for an information session on Thursday, January 30, at 6:00 PM. Registration required for this info session to be considered for this opportunity: <https://rsvp.eftours.com/y6yvw9b>

How does La Sagrada Família compare to the Arc de Triomphe? Paris, Barcelona, and Madrid each offer world-class art and culture that, experienced together, will amaze you. From iconic architecture like the Eiffel Tower and Park Güell, to savory regional cuisine like steak-frites and paella, each day offers new and unforgettable experiences.

In this info session, we'll talk about:

- How this opportunity will benefit your student
- What we'll see and do on our trip
- Everything that's included in this experience
- How your child can earn academic credit
- Available payment options
- How to enroll on this trip (before it fills up!) during EF's risk-free enrollment period

Spots are already filling up and they are limited, so we would love to have you attend this meeting to learn more about this exciting opportunity! Talk to Mr. Hunter in Room 639 if you have questions (monsieurmatthewhunter@gmail.com).

Northview is fortunate to have so many amazing faculty and staff members working in our building who are here to educate and support our students. This year, we had 30 teachers nominated for teacher of the year and 12 support staff nominated for professional of the year by staff, parents, and students. Please take a moment to vote for one teacher of the year semi-finalist and one professional of the year semi-finalist. Congratulations to all this year's nominees!

Please vote for a Teacher and a Professional of the year through the links listed below.

Voting will close at 11:59 pm on Tuesday, January 21st.

The Emerging Leaders Program (ELP) offers a unique opportunity for **sophomores and juniors** from North Fulton High Schools who wish to develop leadership skills, identify and address community issues, and interact with local leaders. This is accomplished through a combination of interactive lectures, discussions, site visits, outside activities, community service, and networking opportunities.

This program provides the skills and knowledge for students to be effective leaders in their communities. The program is built around class days with specific topics to be addressed such as healthcare, government, professional development, financial literacy, mock interviews, strength building, public safety, and much more!

Do you have a student at your school that stands out among their peers? Do you see potential in a student who needs to develop their leadership skills? Is there a student at your school who is looking to step out of their comfort zone, meet others from different high schools, and learn about issues in North Fulton? This program is for them!

This year, we have over 50 students representing 15 high schools in North Fulton! This program is great for your student to learn new skills, develop new relationships, and engage in their community.

You can find the application for [2025 - 2026 HERE](#). **Deadline to apply is March 20th (students also need a recommendation letter to apply)**

North American Computational Linguistics Open Competition

The North American Computational Linguistics Open Competition (NACLO) is a contest in which high-school students solve linguistic problems. In solving these problems, students learn about the diversity and consistency of language, while exercising logic skills. We will be welcoming Atlanta local high school students to attend this national competition.

When is the NACLO @ Georgia Tech?

The Open Round will be on January 23, 2025, from 10 AM – 1 PM, and the Invitational Round will be on March 13, 2025, from 9 AM – 1 PM. Both rounds will be hosted on Georgia Tech's campus. Student registration deadline: January 20, 2025.

How do I register?

The student registration deadline is **January 20, 2025**. The registration link can be found [here](#). Select Georgia Tech (Atlanta, GA) as the site. After registering, be sure to fill out [this form](#) and fill out the required paperwork.

The Georgia Tech Research Institute's (GTRI) **pre-application for the 2025 High School Summer Internship Program is now open**. As such, we would like to invite your eligible students and/or those from your network to apply for a paid opportunity to work alongside the best problem-solvers in the research and development enterprise. In addition to encouraging you to share this announcement with your students, we also want to make you aware of the program requirements. The most important requirement to keep in mind is that all high school students must complete a 2025 pre-application, which is due Jan. 19th.
