Summary

Aspire's mission is to connect people with disabilities to ever-greater possibilities for learning, jobs, and safe places to call home. We work alongside people with developmental disabilities to open doors and amplify possibilities. **Aspire's NEW Employment Training Program: Distribution** equips people with the skills they need to thrive in the distribution and logistics industry.

The live Zoom link and recordings of previous seminars are available under "Presentation Recordings" on the D86 website via the QR code above.
