

About Ramalynn Academy

Private Montessori for PreK—8th Grade

Rooted in the Montessori philosophy, Ramalynn Academy is a private Montessori school located in Bloomington, Minnesota, where children from preschool to eighth grade can develop the habits and life skills they'll need to thrive. Founded in 1985 by Montessori teacher Lynn Ramalingam, Ramalynn Academy strives to enable our students to live lives with personal satisfaction, and become responsible citizens of the world

Join Our School Community

For the 2025-2026 School Year

Applying to Ramalynn Academy is an easy, 4-step process.

Schedule A Tour

Visit the school to learn more about how Ramalynn Academy can benefit your child! When you schedule a tour, you'll get the opportunity to meet faculty, observe our classrooms in session, experience the day to day environment of our school community, talk in-depth about our curriculum and education style, and ask any questions you may have.

Submit An Application

Once you've completed a tour of our school, the next step will be to complete and submit the Application for Admission Form and \$50 application fee.

Complete An Orientation

The orientation allows your child to spend time in the classroom, interact with our teachers and students, and experience our calm, nurturing environment for themselves. This also gives our teachers time to get to know your child and where they're at in their developmental journey, so we can prepare a unique, individualized plan to help them grow.

Enrollment

After the orientation is complete, our Head of Admissions, Cassy Ramalingam, will discuss with you the final steps for enrollment. The Enrollment Form and \$150 enrollment fee will be due to secure your child's placement.

June 16th - August 21st, 2025

RAMALYNN ACADEMY
SMALL SCHOOL. BIG IMPACT.

DAILY SCHEDULE

7:30 – 9:00 AM	<i>Extended Day Activities</i>
9:00 – 12:00 PM	<i>Summer Enrichment Program</i>
12:00 – 5:00 PM	<i>Pro Sports Fantasy Camp & Rec Activities</i>

June 16th – 20th*: **Launch Into Space Camp**

*Ramalynn will be closed June 19th for Juneteenth.

The Ramalynn Space Camp week is your child's opportunity to immerse themselves in all things related to the NASA space program. Your child will design and build rockets to launch and build life-size cardboard spaceships to dream big in!

June 23rd – 27th*: **Fashion Camp**

Learn all about the behind the scenes of the fashion world through this exciting Summer camp. Ms. Lilly will bring knowledge gained from her time at the London College of Fashion to the classroom to teach the future generation about the importance of sustainable fashion. Students will learn the basics of stitching, sewing, knitting, while also learning about fashion history, modern day fashion, and future fashion. A fun fashion show will take place the final day of the camp, organized by the students, to learn about curatorship as well!

June 30th – Jul 4th: **School Closed: Midsummer Break**

July 7th – 11th: **Time Travelers**

Travel to different periods of Earth's history to learn about the animals that roamed the planet. Explore the development of human tools, from early stone tools to modern machinery. Investigate different societies at various points in history (e.g., Ancient Egypt, Rome, Medieval Europe). What was life like for people in those times? How did their social structures, technologies, home life, and economies work?

July 14th - 18th: **Fun with Math**

Use real-world math challenges, such as board games (e.g., Monopoly, chess), that require strategy, calculation, and resource management. Explore Fibonacci sequences, symmetry in animals and plants, and the math behind the growth patterns of trees and flowers.

July 21st – 25th: **Animal Art**

Create a portfolio of animal-inspired artwork! Explore different techniques and materials while drawing your favorite animals. Draw inspiration from nature and incorporate unique textures and patterns into your work. By the end of the week, you'll have a collection of art that showcases your creativity and artistic development.

July 28th – Aug 1st: **Electrical Circuiting**

Students will learn how to create simple circuits using a battery, wires, and a light bulb. Once they understand the basics, we will challenge them to create more complex circuits with switches or multiple lights.

August 4th – 8th: **Abstract Art Processes**

This week, we will have fun (and get messy) with process art techniques! We will squish, smoosh, and splatter our way through the week and create some unique art along the way! Students will utilize a variety of artistic and household items to learn that great art can be made anywhere.

August 11th – 15th: **Transportation Week**

This week is filled with exciting adventures as we explore different modes of transportation! We'll visit to MSP airport, hop on the light rail, and we'll also take a ride on public buses, discovering how they serve as a key part of urban mobility. Throughout the week, you'll have the opportunity to learn from guest speakers who are experts in the transportation field. They'll share valuable insights into how these systems work and the important role they play in daily life.

August 18th – 21st: **Physics of Sound Waves and Music**

Students will learn the basic properties of sound: frequency, amplitude, and how they relate to pitch and volume. We will then experiment with different materials to create instruments and change the pitch by adjusting the tension, length, or size.

August 22nd: **School Closed: Teacher Workshops**

Pro Sports Fantasy Camp

Mr. Krishna Ramalingam

12:00 – 5:00 p.m.

- ⇒ **Soccer, Golf, Tennis, Flag Football, and Swimming** will be highlighted in our fun summer sports program. Great for boys and girls of all ability levels. Positive coaching fosters positive self-esteem, improves coordination and sportsmanlike conduct.
- ⇒ Golf the four **PGA Major Tournaments**
- ⇒ Ramalynn Soccer will feature the **2025 FIFA Club World Cup** between the top soccer teams of the member associations of FIFA.
- ⇒ **Pool Parties** when the temperature exceeds 80 degrees
