A large group of children are holding up a massive rainbow flag, which fills the upper two-thirds of the frame. The flag is made of many smaller sections, each held by a child. The children are in a classroom-like setting with wooden floors and some furniture visible in the background. The overall atmosphere is joyful and inclusive.

Meeting Goals and Norms

- Please hold all questions until the end of the presentation.
- Tonight's meeting is in person and on Zoom. Please raise your hand if you have comments and we will pass the microphone to you. This will ensure Zoom attendees are able to hear.
- Staff will stay as late as needed to ensure that all attendees have an opportunity to ask questions and share concerns.
- Staff will address any unanswered questions at a later date.

UNHEALTHY CONFLICT

HEALTHY CONFLICT

Background

- **District Wide Transitional Kindergarten (TK) Expansion Projects were part of Measure I-1 and Bond Measure I Bonds**
 - High level design work completed during Master Planning
 - Completed Multiple Meetings with Mohr Elementary School Site Committee and Administration Stakeholders.
 - Demographic Survey to support enrollment rate.
- **What is TK?**
 - The Universal Transitional Kindergarten (TK) program is a newly implemented State program that provides early childhood education to all 4-year-olds. This will add an additional grade level to all elementary schools.
- **Scope of Modernization**
 - Interior finishes, lighting, tack surfaces, marker boards, increased casework.
 - Specialty playground equipment. Inclusive and appropriately sized.
- **How Will This Impact the Site**
 - Site currently has 1 TK classroom with up to 24 students
 - 3 total modernized classrooms (2 classrooms net add)
 - By 2028, anticipated school enrollment with TK will be 55 students
 - Total Enrollment at Mohr ES
 - 2020 - 736 students
 - 2030 Projected - 497 students
