

**REGULAR MEETING
BOARD OF SCHOOL TRUSTEES
BROWNSBURG COMMUNITY SCHOOL CORPORATION**

The Board of School Trustees of the Brownsburg Community School Corporation met in a regular meeting on Monday, December 9, 2024, at 6:30 p.m. in the F.L. O'Neal Administration Building, 310 Stadium Drive, Brownsburg, Indiana.

I. CALL TO ORDER

Dr. Matt Freije called the meeting to order at 6:30 p.m. Other Board members in attendance were Mr. Eric Hylton, Mr. Mike Wells, and Dr. Katie Dixon. Administrators present were Dr. Kat Jessup, Mr. Shane Hacker, Ms. Kim Lippe, Mrs. Jodi Gordon, Ms. Vicki Nieman-Murphy, Mr. Corey Ebert, and Chief of Police Scott Dunning.

II. PLEDGE OF ALLEGIANCE

Everyone stood for the Pledge of Allegiance.

III. MOMENT OF REFLECTION

Dr. Freije asked for a moment of silence for reflection.

IV. COMMUNICATIONS

A. Brownsburg Education Foundation Report – Dr. Dixon

Dr. Dixon shared the following from the Brownsburg Education Foundation:

- **Apples for Excellence Promotion – EARLY CHILDHOOD CENTER AND ELEMENTARY SCHOOLS**

Apples for Excellence was a huge success and will have an updated total raised on that soon.

- **2025 Rally for Our Kids Gala**

The Gala is presented by LeBlanc Nettles Law and Queen Anne's Lace Flower & Gifts and will be held March 14, 2025. Early bird table sales will be at a discounted rate of \$800 available through December 15th. Individual reservations will go on sale for \$100 each beginning January 1st. Tables seat 10 people. The theme for the 2025 Gala is Tailgate & Tiaras. See the BEF website for more details about activities and the dress code.

- **Holiday Graduate Walk Brick Special**

For a limited time, December 1st through the 15th, Alumni bricks will be offered at the current student rate of \$100. You will also receive an additional discount for every brick ordered and buy 5 bricks, get the 6th brick free. See the BEF website to order online or to download an order form.

- **Two new events in January**

1. **Saturday, January 11, 2025**, BEF will be hosting a STEM workshop in partnership with iCode School of Fishers for interested 2nd through 5th grade students called Code To Contribute. There will be morning and afternoon sessions available. See the BEF website or newsletter for more details or to register.

2. **Wednesday, January 22, 2025**, there will be a free Grant Workshop for BCSC staff in preparation for District Excellence Award and InCredible Award grant application cycles. BEF will be hosting a free workshop for any interested staff who would like to ask questions or learn how to make their grant proposals better.

B. Operations Update – Mr. Hacker

Mr. Hacker shared an update on operations activities throughout the district.

- **Bulldog Blvd Closure** – construction fencing has been added around some of the area due to bleacher expansion project, practice field, and all other things that are being done along Bulldog Blvd. The stadium bleachers will have new tops put on them and student section will be reinforced. The bleachers will be expanded from the current 10-yard line on both ends to the 5-yard line to 5-

December 9, 2024

yard line, to increase capacity. Band also now has a storage area for their props near the field and their practice area, in a more convenient spot for them to access.

- **BHS Fieldhouse** – starting to get some paint (almost entire ceiling is painted). Paint scheme will be the same as the pool area.
- **BHS Senior Academy** – construction is moving along; lunch area has the capacity to fit 1,000 students for lunch (currently only need 800). Drywall is almost complete. Paint is getting ready to start. Construction coming along nicely.
- **Utility Rebate Information** – see chart below. Currently we are enrolled in programs to get rebates, which to date from 2020 is \$464,464 (money given back, not saved). Dr. Dixon asked if this would continue to be an option in the future. Mr. Hacker stated that yes and no, the number of rebates will possibly decrease but will continue to utilize any that we can.

Utility Rebate Information

Calendar Year	Vendor/Received From	Amount
2020	Hendricks Power Cooperative Participation	\$22,410

2024	CenterPoint Energy Efficient Equipment Upgrade	\$25,000
	Hendricks Power Cooperative Participation	\$57,270
TOTAL		\$464,464

C. Weather Information – Dr. Jessup

Dr. Jessup shared weather information regarding inclement weather decisions for the district.

- **Timeline for Weather Decisions** – 3:55am initiate weather drive (Dr. Jessup and Mr. Nick Meyerrose); 4:30am internal conference call on conditions (Mr. Nick Meyerrose, Chief Dunning, and Mr. Buddy Faulkner); 5:00am County Superintendent call; 5:30am Ms. Murphy will send ParentSquare notification to families (this will come as a voicemail, a text, or an email) and Ms. Lippe will contact media to share closing/delay info.
- Prior to the morning of potential weather, there is a great deal of communication happening in BCSC. Facilities team installs snow removal equipment and prepare for inclement weather moving in. They are constantly checking Clarity Weather (the app that BCSC uses to monitor weather). Example of this was shown with the possible inclement weather that was predicted on Thursday, November 21st, with communication starting on Wednesday, November 20th at 8:24a.m.
- Dr. Jessup shared some important things to remember that there are several pieces of information that go in to making a weather decision, decisions are made early in the morning and conditions may change, and ultimately parents/guardians should make the final decision for their student. If a parent/guardian feels the roads are not safe enough for travel or the temperature is too cold, they are able to have their child stay home from school. The absence would be excused. Dr. Jessup also mentioned that while e-learning days are utilized in other districts, BCSC believes that students in class interacting with teachers and classmates is the best environment for learning.
- Communication was sent to parents regarding how decisions are made. See picture below:

BCSC: Inclement Weather Plans 24-25

Helen BCSC families, teachers, & staff

Each fall, we review and share BCSC's inclement weather procedures. The decision to open or close schools during inclement weather can create challenges for families. The safety of our students, staff and families continues to be our top priority as these decisions are made. Please see the infographic below for more information about the methods and timing for weather-related decisions and communication.

- Martin Luther King Jr. Day and Presidents Day will continue to be snow make-up days. If necessary, should school be canceled prior to the designated make-up holiday, parents may be given notice of two weeks or less that school will be in session.
- When considering a delay to the start of school, we weigh many factors. Each weather event is unique, and, in some cases, there could be an advantage when delaying to allow the weather to pass or road crews to better treat the roadways versus conditions worsening. In the event of a delay on Wednesday, school will not release early. School delays due to cold weather are rare because temperatures do not sufficiently warm up during a two-hour delay. In addition, many working parents have shared that delays create hardships for their families.
- As you can see in the infographic, when a weather decision is made in the early morning, calls will be made at 5:00am. With the first student bus pickup occurring just after 6am, this gives all families the information prior to sending students to the bus stop. We adjusted this notification based on feedback from families.

Ultimately the decision is yours to make as a parent. If schools are open during inclement weather and you choose to have your child stay at home, the absence will be treated as excused, and any work missed can be made up.

D. Commendation – All-State Orchestra – Ms. Murphy

Ms. Murphy presented All-State Orchestra Commendation to BHS Senior Andrew Agraviador. Andrew is involved in Jazz Band, PEP Band, Marching Band, Orchestra, Wind Ensemble, ISO, Side by Side, and now All-State. Andrew will be performing February 12th with the ISO. Andrew plans to continue music after high school with a music education and a double major in performance. Andrew is also interested in computer science. Andrew plays the trumpet for Jazz Band and the mellophone for Marching Band.

V. COMMENTS FROM PATRONS

• Jason Burcham

Kindergarten Age Requirements: Mr. Burcham thanked Mr. Hylton for his time on the board. Mr. Burcham then spoke as a parent in the community and as a community member to advocate for greater flexibility in the kindergarten enrollment policy at BCSC, specifically for children who demonstrate readiness but miss the current August 1st cutoff date. Mr. Burcham's daughter will miss next year's cutoff date by 27 days, but she is already demonstrating a clear readiness for kindergarten, both academically and socially. This policy holds back students like her. Mr. Burcham has a son at Crossroads Elementary that is excelling academically and has nothing but great things to say about the curriculum. His son also missed the cutoff date by 10 days. Other surrounding districts allow for testing options that would allow kids to test in if they are close to that age requirement. The State's voucher program allows kids to enroll if they turn 5 by October 1st. Brownsburg as a leader in education should align with the best practices. This decision has a financial impact on families in the district. Mr. Burcham would like for the Board to consider adding readiness testing and to reconsider the age for kindergarten cutoff date.

Employees working 2nd and 3rd shift that day will receive the same paid early release time.

Dr. Jessup recommended the Board of School Trustees approve the Consent Agenda as presented.

Dr. Freije moved to approve the recommendation; Mr. Hylton seconded the motion. The Board approved the motion by a vote of four (4) ayes; zero (0) nays.

VII. OLD BUSINESS

There were no Old Business items to address.

VIII. NEW BUSINESS

A. Public Hearing on Additional Appropriations Request for Operations Fund – Mr. Hacker

Dr. Freije opened the public hearing at 7:04p.m.

Mr. Hacker noted that this hearing was published in the Republican ten (10) days in advance of the meeting for additional appropriations in the operations fund. The 2024 budget within the Operations Fund is coming in right at the approved number of appropriations issued in January 2024 (certified number for this calendar year was \$24,169,548 and projection came in at \$24,180,000). Should something happen with equipment which would require an unaccounted-for expense, Mr. Hacker is requesting to have the approved authority to use money from the 2024 budget. This request is to give flexibility to make decisions without a special board meeting to do so. Mr. Hacker is asking for an additional appropriation of \$250,000.

December 9, 2024

There were no public comments or questions.

Dr. Freije closed the hearing at 7:06p.m.

B. Recommendation to Authorize Request for Additional Appropriations for Operations Fund – Mr. Hacker

Dr. Freije moved to approve the recommendation; Mr. Hylton seconded the motion. The Board approved the motion by a vote of four (4) ayes; zero (0) nays.

C. Recommendation to Authorize End of Year Payments and Transfers – Mr. Hacker

Mr. Hacker asked for approval to authorize end of year payments and transfers. Mr. Hacker stated that due to it being at the end of the year, this would allow us to do any sort of necessary payments and transfers to close out the budget for 2024 without the need of a special board meeting.

Dr. Freije moved to approve the recommendation; Mr. Hylton seconded the motion. The Board approved the motion by a vote of four (4) ayes; zero (0) nays.

D. Recommendation to Approve Brownsburg High School Program of Studies for the 2025-2026 School Year – Dr. Jessup

Dr. Jessup stated that this is the time of year that we begin to look towards the next school year due to students begin scheduling when they return from winter break. There are some new courses added that are new dual credit course added, special education courses, and then courses that we delete or turn off meaning we don't offer them every year, so we turn them off. These classes that we have are going to work with the new Indiana Diploma requirements. Dr. Jessup stated that Dr. B at the High School will be offering a parent course for incoming freshman to talk about the new diploma requirements.

Dr. Freije moved to approve the recommendation; Mr. Hylton seconded the motion. The Board approved the motion by a vote of four (4) ayes; zero (0) nays.

Dr. Dixon noted that she noticed we had added a few classes in Humanities but asked if this was due to the diploma requirements or interest of students? Dr. Jessup stated that each fall we open the opportunity for additional courses to be offered. They look at what are the courses we could offer. The courses can be approved, but they must have a minimum of 25 people signed up for them. Dr. Jessup stated that this is also due to class sizes, but wanting to keep teachers to 2 preps. The more opportunities we add each semester, the more opportunity there is for teachers to have more than 2 preps.

E. Recommendation to Approve Neighborhood Placement – Ms. Lippe

Ms. Lippe recommended that the Board make an adjustment in neighborhood placement, Auburn Ridge, and that adjustment would be to White Lick, West Middle School, and Brownsburg High School. Ms. Lippe stated that back in May of 2024, the Board had initially approved Auburn Ridge to be placed at Cardinal, West Middle School, and Brownsburg High School. At that time, there weren't any homes under contract. Now as we monitor enrollment numbers, Cardinal has experienced a surge in enrollment from other neighborhoods. Due to this, the recommendation is that the placement of Auburn Ridge be changed from Cardinal to

December 9, 2024

White Lick, and it would still follow the same pathway of West Middle School. This allows us to maximize our learning environments with more balanced enrollment. Currently there are 27 homes under contract, and we would like to notify those families know as soon as possible.

Mr. Wells asked if this would impact bus routes or anything going from Cardinal to White Lick? Ms. Lippe stated that Mr. Nick Meyerrose is aware and has already worked out transportation.

Dr. Freije moved to approve the recommendation; Mr. Hylton seconded the motion. The Board approved the motion by a vote of four (4) ayes; zero (0) nays.

IX. SUPERINTENDENT COMMENTS

Dr. Jessup congratulated Coach Hart and the football team for their State Championship. But Dr. Jessup also thanked the community for supporting the team. She congratulated Dr. Dixon for the completion of her doctorate. She thanked Mr. Hylton for his years of service and that we have really appreciated his service.

X. BOARD MEMBER COMMENTS

Dr. Dixon seconded congratulating the football team. Dr. Dixon noted that she has never seen the amount of Bulldog pride that she had seen at that game, along with the student section. She thanked Mr. Hylton for his years of service both at the desk and behind the scenes. Also congratulated Andrew on the All-State Orchestra.

Mr. Wells said he liked how Dr. Dixon sounds. Mr. Wells also noted that he saw the football team and how amazing it was to see them practicing outside in the snow. It was an amazing experience to see the stands during the game from the suite. Congratulated Mr. Hylton for his years of service – in the public and behind the scenes. Congratulated Andrew on the All-State Orchestra. Mr. Wells also said he is looking forward to holiday breaks and hopes that everyone else has a great break.

Dr. Freije congratulated Dr. Dixon on completing her doctorate, congratulated the football team, and thanked Mr. Hylton for his years of service.

Mr. Hylton congratulated the football team. He also thanked everyone for the last 8 years of him serving the community. Mr. Hylton noted that we are in a great position with Dr. Jessup as Superintendent, along with amazing teachers and staff. He said that the last year on the board has been the most rewarding. He is looking forward to being a dad of 3 kids in the district and helping the schools as he can.

XI. ADJOURNMENT

Dr. Freije called for a motion to adjourn. Mr. Wells seconded the motion. The Board approved the motion by a vote of five (5) ayes; zero (0) nays. The meeting adjourned at 7:10 p.m.
