With a recommendation from the Committee, Mrs. Dysart moved to approve Cycle Construction Co., LLC for the Meraux Elementary Site Demolition. Seconded by Mrs. Lemoine the motion passed unanimously by a roll call vote of the members present.

Under items to be placed on the Agenda of the next Committee meeting it was requested by Mr. Warner to have an update on the Chalmette High Accessory Building construction.

Under Superintendent's Recommendation Ms. Voitier noted that there will be a Special Meeting held before the General Committee Meeting on December 8, 2015. Ms. Voitier also announced that results of last year's PARCC testing had been received and those results went out to parents today. At this time Mrs. Dysart requested sending a resolution to the state asking for more timely results from the PARCC tests and the release of test items.

On motion of Mr. Campbell, seconded by Mrs. Dysart and passed by a unanimous voice vote, the meeting was adjourned.
